MADOC VILLAGE COUNCIL MINUTES

The regular monthly meeting of the Madoc Village Council was held in the Council Chambers on Monday, April 3 at 7:00 p.m. with Reeve, T. C. Barton and Councillors, R. M. Kirkwood, R. D. Graham, Kel Kincaid and Clayton Smith present.

Kirkwood — Graham — that the minutes of the last regular meeting be adopted as circulated.

Several delegations waited on Council requesting water and sewer services to their homes:

1. Mrs. Fred Winterburn - Colborne Street, 2 Larry Horton - Livingstone (sewer), 3. Bill Willemssen and Bob Heyworth - Wellington.

After much discussion it was

moved by Kel Kincaid and seconded by R. D. Graham that Mr. Wade, Consulting Engineer, be requested to come to a special meeting, in an advisory capacity, that we may make a definite decision as to which streets we can service with the water and sewer extension at this time.

Correspondence was received from the O.W.R.C. re a Dumping Station for trailers. More information is needed on this project.

Graham — Kincaid — that the account for a fire on No. 7 Highway which was returned to us by Marmora Township be sent again to that township.

Kincaid — Smith — that the request for Grant from the Recreation Committee be tabled until the Budget is discussed.

The clerk was directed to reply to the letter of Frank Cowan Insurance re the distribution of commissions.

Graham — Kirkwood — resolved that the Madoc Village Council request authorization from the Moira River Conservation Authority for an engineering study for Bank protection on Deer Creek in the vicinity of Highway 62, under the Deer Creek Channel Improvement (Continued on Page 7)

EUCHRE WINNERS

The winners at the Euchre Party held in the Orange Hall on Monday, April 3rd, were:

Ladies High, Betty Stevens; Gents High, Charlie Smith; Ladies Low, Marg-Blakely; Gents Low, Isaac Beatty; Dog Prize, Wanda Donaldson. Those with the highest attendance for the year were Manley Baumhour and Mr. and Mrs. Mac Davies.

This was the last card party for the season and the Orange Association would like to thank everyone for their support.

MADOC AND DISTRICT MINISTERIAL MEETING

On Tuesday, March 28th, 1972, the Madoc and District Ministerial met at the home of the Rev. P. Murphy at 10:00 a.m.

Present were E. Hawkes, D. Heard, D. McEwen, P. Murphy and J. Thompson.

W. Sedgwick sent his regrets.

Devotions were conducted by P. Murphy. The minutes of the previous meeting were read and approved on motion of D. Heard and D. McEwen.

ADDITION SEMINAR — It was agreed (1) that the second mailing of Registration Forms be sent out on April 4th, (2) that a notice be placed in the local paper with a Registration Form.

MEMBERSHIP FEE — moved by D. McEwen, seconded by J. Thompson, that a membership fee of one dollar per year (September to August) be set for the Madoc and District Ministerial; (b) that payment of this fee be the basis on which the Roll is drawn up and that we hold to the early Creed of the Church "Jesus is Lord".

MEDICAL CENTRE — moved by D. Heard, seconded by J. Thompson, that the Ministerial write to the Council of the Village of Madoc (a) expressing our interest and concern for the proposed Medical Centre for the Village of Madoc, as we feel that there is a definite need.

(b) and encouraging the Council to pursue such an undertaking.

A discussion followed on the possible showing of the movie "Like a Mighty Army" in the fall or early winter. D. McEwen was requested to get definite

REG CAMPSALL

Reg Campsall Speaks at Madoc & District Home & School

Reg Campsall, Assistant Superintendent of Special Education with the Ontario Department of Education was guest speaker at the Madoc and District Home and School on Monday, March 27th, 1972. Mr. Campsall is a much sought-after speaker with a wealth of background experience in Special Education. He talked on Early Detection of Learning Problems. The guest speaker was introduced by Mrs. Dorothy Empey and John Murphy tendered our thanks and presented Mr. Campsall with a gift.

The meeting was not largely attended but those who did attend were privileged to listen to a very interesting speaker.

Mr. Campsall has agreed to return for a workshop on May 31st, 1972. Don't miss this opportunity to hear him!

ADDICTION SEMINAR

On Monday, April 17th, a unique opportunity is being presented to community leaders, and interested citizens, of the Centre Hastings Area. The Madoc and District Ministerial is sponsoring a one day Community Seminar on Addictions which will be conducted by Alcohol and Drug Concerns of Don Mills. Some of the topics to be covered are: "Comfort Chemicals in our Society Today", "Youth Attitudes" and "Relating People to Positive Alternatives."

The Seminar promises to be informative and stimulating. Are you interested? You can find further information and a registration form in this issue of the Review on page three. (Registration Deadline - April 12th).

NEEDLE ART CLASSES GETS GOOD ATTENDANCE

The organizational meeting of the Needle Art Classes was held on April 3rd at 7:30 in the Madoc Kiwanis Centre with 30 ladies in attendance.

Mrs. Vera Hill was nominated as chairman of the meeting and Mrs. Aileen Pidgeon was nominated as the treasurer.

The following is a list of the instructors for the classes and the respective classes they will be teaching: Mrs. Blackburn - crochet (beg.); Mrs. J. Hanpach - crochet (beg.); Mrs. A. Pidgeon - knitting; Mrs. Smith - Macramé; Mrs. E. Yarrow - crochet (beg.); Miss Connor - needlepoint and smoking; Mrs.

Declair - hairpin lace and crochet (adv.); Mrs. M. Barton - tatting. Each instructor gave a brief description of her course and the requirements for it. The following is the schedule for the courses which will be 5 weeks each: April 10 - May 8 - crochet (beg.); May 15 - June 12 - hairpin lace; June 19 - July 17 - macramé; July 24 - August 21 - tatting; August 28 - October 2 - knitting; Oct. 16 - Nov. 13 - smoking; Nov. 20 - Dec. 18 - needlepoint. All classes will be held in the library at the Madoc Public School beginning at 7:30 p.m. each Monday night.

Authorities To Evaluate Area

At the February meeting of the Madoc Village Council, a motion was passed that, as recreation facilities are greatly needed on Moira Lake, the Provincial Government be requested to investigate the possibilities of providing these facilities.

Since then, action has been taken to see Clarke Rollins, M.P.P. Hastings, about the matter, and the Village recently received the below correspondence from the Department of Lands & Forests.

Toronto, Ontario.
March 23, 1972.

Miss Olive Ashe,
Clerk-Treasurer,
Corporation of the Village of Madoc,
P.O. Box 310,
Madoc, Ontario.

Dear Miss Ashe: —
Further to your Council's motion (February 7th, 1972) to have the Provincial Government investigate the provision of recreation facilities on Moira Lake, I am now in a position to reply.

At the March 8th, 1972 meeting of the Ontario Parks Interpretation Board the matter of provincial involvement on Moira Lake was discussed. It was agreed that the Department of Lands and Forests and the Conservation Authorities Branch evaluate the area for recreational potential. This evaluation is to commence as soon as weather conditions permit.

Thank you for bringing this matter to our attention through Mr. Rollins. M.P.P.

Yours very truly,
J. W. Keenan, Director
Parks and Recreation
Areas Branch

CROWD SHOWS TREMENDOUS INTEREST IN MEDICAL CENTRE

The Town Hall was filled to capacity for a public meeting to discuss the building of a Medical Centre here last Wednesday evening, March 29th, at 8:00 p.m.

Chairing the meeting, Reeve T. C. Barton began by explaining the developments on the project to date. He then asked for questions from the floor.

Mr. Orval Ross expressed the interest of the Kiwanis Club.

Mr. Art Simpson asked, "Would the Village take on ahead with the Clinic?", and then suggested that the service clubs be requested to give their assistance.

Mr. Ross asked if the land at the Kiwanis Centre would be

suitable for the building of the Clinic.

Mr. Robert Graham said he would like to see the land used for other purposes, but, if necessary, he would agree to the building of the Clinic there.

Dr. Derry expressed the need for such a clinic, saying that this is the only way the Village will get another Doctor. He said that he cannot be on call 24 hours a day.

Rev. Mr. Heard suggested that the Village take on the project as a community project through the service clubs and seek assistance from neighbouring municipalities.

Kel Kincaid said that the large turn-out at the meeting

indicates good community interest and added that he feels a great need for the clinic.

Mr. Tom Sandford spoke on behalf of the Branch 363 Legion, saying that they are most willing to help.

Ken Bateman suggested that perhaps it would be beneficial to build a larger building than was proposed.

Kel Kincaid said he felt a committee should be formed to make the arrangements for the building.

Reeve of Huntingdon Township, Russell Sills, and Madoc Township Councillor, Don Wamnamaker, both expressed their feelings that help would be forthcoming from their municipalities.

It was moved by Mr. B. Reid that this meeting go on record as being in favour of building a medical centre for Madoc and the surrounding area.

Kel Kincaid made a motion that a committee be formed to look into the building of the Centre, and the following were appointed: John Wuite, Bill Reid, Ruth Burnside, B. Downey, Owen Weaver, Don Wamnamaker, Dr. Derry, Frank Downey, Gail Blakely, Russell Sills, Bev Keller, R. Patrick and Vera Hill, along with representatives from the following service clubs: Kiwanis Club, Chamber of Commerce, Canadian Legion and the Ministerial Association.

Mr. Owen Weaver suggested that a letter of invitation to participate be sent to other organizations. For example, the Eastern Star, Hunters and Anglers' Club and Tudor and Cassel Township.

The motion of Art Simpson that Owen Weaver be Chairman of the Committee was declined.

Kel Kincaid moved that Dr. Copeman of the Health Services Branch, Ontario Department of Health, be requested to arrange a day to look over the clinics. This motion was seconded by John Wuite.

Owen Weaver seconded the motion of Robert Graham that the committee appoint a chairman. Reeve Barton was named Chairman.

Rev. Thompson stated that it is the general feeling that everyone is in favour of procuring land and launching a program to raise funds for the building of a medical centre in the Village.

Don Smith said he feels that there is a need for more information on the subject.

B. Downey received a negative reply when she asked if there are any grants available for this project.

Durland Adams mentioned the tremendous load that the local doctors, Dr. Derry in particular, are carrying.

President of the Senior Citizens, Mrs. Broadworth, said the Club will stand behind the project.

A motion of adjournment was made by Bill Reid, seconded by Don Smith.

Underserved areas such as Madoc exist in all parts of the province and lists are available for interested physicians. To qualify for listing, municipalities are required to ensure that adequate clinic, office and housing facilities are available at a reasonable rental.

An encouraging program has been established by the Ontario Department of Health to guarantee certain professional incomes for selected medical practitioners who agree to enter private practice in underserved areas of the province.

GRANT APPROVED

The Honourable James A. C. Auld, Minister of the Environment and Mr. Clarke T. Rollins, M.P.P. for Hastings, announce the approval of a provincial grant in the amount of \$1,250.00 to the Moira River Conservation Authority to acquire land for the enlargement of the Ackerman Conservation Area.

The Ackerman Conservation Area comprises some seven acres of land located in the Marmora Township.

The Authority is now proposing to enlarge the Area by acquisition of some four and a half acres of adjoining land. This acquisition will enable the Authority to establish a service road across the entire width of Lot 6.

All member municipalities have been designated as benefiting and will bear the Authority's share of the cost.

The Madoc Intermediate Canucks are shown at the conclusion of their final game of the season. They are, left to right, back row — Lloyd Aorn, Harold Bailey, Doug Potts, Don McCrae, Blayne Reynolds, Bob Chapman, Bob Bartsch Scott Shepherd, Jerry Chapman. Front row — Ron Powell, Terry McGregor, Ralph Francis, Glenn Graham and Terry Chapman. Absent — "Chuck" Mills, Fred Free, Eric Saxsmith, Vic Conte, Manager Gordon Chapman and Coach Doug Phillips.

Teresa Dennis, daughter of Mr. and Mrs. Harry Dennis, R.R. 4, Madoc, became the bride of Eugene Guenette, son of Mr. and Mrs. Roger Guenette of Tweed, on February 5, 1972 at Sacred Heart Church, Madoc.

CAROL FOLEY, Editor**COUNTY SCHOOLS CREDIT SYSTEM EXPLAINED**

(By The Hastings County Board of Education)

With many students taking a great number of different courses which vary in level of difficulty and, in many cases in grade level, we require some efficient method of keeping account of both the number and nature of the courses, successfully completed. In order to keep this account, the secondary schools of Hastings County adopted the credit system. In our version of the credit system, each subject taught in five periods each week is assigned one credit. A subject taught for ten periods a week is assigned two credits. A student receives one credit after the successful completion of a course requiring approximately one hundred and twenty hours of scheduled class time per year. Since each school day in most of our schools has eight teaching periods, it is possible for a student to acquire eight credits toward a secondary school graduation diploma, each year. Thus, a student might at the end of four years at High School obtain 32 credits. Nevertheless, the Ontario Department of Education requires only a minimum of twenty-seven credits for the granting of the Ontario Secondary School Graduation Diploma. Thus, it is possible for a student to take seven credits per year and have one period of free time or independent study each school day. In most County Schools, we require every student to take at least seven credits per year and encourage the better students to take eight. Our reason is that the physical facilities for independent study, in most schools, are limited and also the Principals are not yet convinced that a great deal of free time would be of benefit to the majority of the students at the present time. Our thinking is that a great deal of time, effort and equipment will be required, and a high degree of self discipline will have to be developed among the student body before further independent study under the credit system will be valuable.

ELECTIVES UNDER THE CREDIT SYSTEM

The Ontario Department of Education requires the secondary school Principal, in consultation with his staff, to tabulate the courses offered in his school under four broad areas of study:

- (1) Communications - English, Other Languages, Short-hand, Typing, Business Correspondence. (Subjects concerned with man's interchange of thought and with all modes of human expression.)
- (2) Social Sciences - History, Geography, Man in Society, Economics, Business Law, Business Finance, Registered Nursing Assistants. (Subjects concerned with man's unique nature and the spatial and social forces which affect his destiny and his interaction with the environment in which he lives.)
- (3) Pure and Applied Sciences - Mathematics, Science, Technical, Computer Concepts, Marketing, Accounting. (Subjects concerned with the nature and properties of organic and inorganic substances and with the conditions which govern their interaction.)

load under the credit system, individual timetabling, etc., than they had before.

To end on a positive note - Credit systems are designed to provide a method of determining student standing in relation to diploma requirements on a mathematical basis. The whole concept of the credit system is itself a bid for increased flexibility and student freedom of subject selection. We hope that the credit system and opportunity for individual timetabling will promote more responsible career decisions by the student and will serve as a means by which all students can grow in responsibility, self-discipline and resourcefulness.

As far as flexibility is concerned, we already have several students who need a few credits for diploma purposes coming in half days and some adult students taking a few credits at night/school and also attending one or two day classes. The students who come in half days may obtain part time work, and thus gain work experience while completing credits for diploma. We have had students from C.F.B., Trenton, completing two credits at night school and three or four credits in day school. This gives them a good opportunity to upgrade their standard of education.

During his first two years in Secondary School, a student must obtain, at least, one credit from each of the four areas of study (8 credits). After the first two years, he must obtain one further credit from each of the four areas of study (4 credits). He must, then, have over four years of study, a further fifteen credits to obtain his diploma. Thus a student successfully passing English for three years would have three credits in Communications. Success in History for three years would ensure three credits in Social Science. Three Science or Mathematics courses would give three credits in Applied Science. Three credits in Physical and Health Education would give three credits under Arts and the student would be free to choose the other fifteen credits he required, at will. The difficulty with this system is, of course, that we are forcing students to make choices and assume responsibility for these choices at an earlier and earlier age. It is questionable whether the students are ready to make the choice and, therefore, in most secondary schools in the County, we do have a few subjects which we consider compulsory. We, in some schools, ask the students to take English for three or four years. They must take one year of Mathematics, History and Physical Education. In addition to doubts about the students' readiness to make sound choices, there is the added factor, particularly in the Belleville-Trenton area, that there is a great deal of movement of students in and out of school from all parts of Canada. We must ensure that the subjects offered here are similar to subjects offered in the majority of schools elsewhere. A wide choice of subjects for credits inevitably creates the need for vastly expanded services. This, in itself, is I think a step to be applauded but we must be careful that the expansion of the guidance department is not accomplished at the expense of other subject departments. The student teacher ratio becomes a real question here. If the guidance department is increasing in a school and we make a resource centre for independent study and staff it with three libraries instead of one, where are the five extra staff members going to come from? Already most of your English teachers have a greater work

CRACKED EGGS and RICH FARMERS

(By BILL SMILEY)

Not too long ago, I wrote a column suggesting what would happen if housewives went on strike. A long, intelligent and often witty letter from Mason Bailey, President of the Huron County Federation of Agriculture tells me bluntly that there is another species in our society which, if it went on strike, would make a housewives' strike look like a box luncheon.

Naturally, he is talking about farmers. Farmers are like the weather: everybody talks about them but nobody does anything.

I'll quote bits from his letter, and make some comments. He asks tersely, "What if all the farmers went on strike?" Most of society and the majority of columnists seem to have forgotten that farmers continue to exist. And that is just what farmers are doing! Existing! Net farm income in Ontario has dropped over thirty per cent in the last three years. In 1971, Canadian farmers received less than ten per cent of the money that Canadian consumers spent on food.

Well, Mr. Bailey, I'll accept your figures, for a start. And they certainly don't make me want to plunge into farming with a thirty-thousand dollar mortgage and the prospect of working ten or twelve hours a day, six days a week.

On the other hand, like all figures, they can be misleading. How many Canadian farmers grow coffee, tea, fish, sugar, pepper, peanut butter, oranges, bananas and all the other items that beef up our food bills?

Another of your points strikes a sympathetic chord in me. "I was in a restaurant last week. The menu said one egg, 50c. Do you know what farmers got for eggs last week? 22c a dozen for Grade A large; 7c a dozen for cracks." This is utterly ridiculous, and somebody, obviously the farmer, is being shafted. The only solution I can see is to demand "cracks" in restaurants. Which is probably what we get in some places anyway.

I share completely your burning wrath at restaurant prices. And now let's sit back and hear a howl of protest from the restaurant owners, who are starving to death. The average one isn't, and works long hours for a decent living. But those room service prices in hotels drive me right out of my skull. \$1.85 for a sandwich, \$1.50 for a pot of lukewarm coffee.

You go back to the war, when sugar and butter were rationed and otherwise honest people would cheat, lie or steal to get enough or more than enough. And you say it would happen again if farmers went on strike. I agree. Some would, but a minority, in my opinion. I think the farmers would get a good deal of sympathy and support, just as the coal miners

did in England, despite the hardships their strike imposed on millions.

In such an event, you suggest that "bootlegging food at inflated prices would become as common as drug peddling. The bootlegging farmers would start to show a profit. Some might even be able to hire help at the minimum wage." Surely, right there is one spot where government could help - by subsidizing farm wages.

The government subsidizes practically everything else that even approaches work, or simply pays people not to work. Surely, the next logical step would be to make farm work attractive, financially, rather than paying farmers not to grow grain, or spuds, or whatever. However, we mustn't mention government and logic in the same breath.

You mention something that depresses me - that the average age of farmers in Ontario is about 55, that not many young men can start farming under today's conditions, and that even if they can, the liberated little woman has other ideas. And you also point out rather pungently that if the average age of housewives "was 55 and no replacements forthcoming, you would have something to grieve about." You're right. The scream that would echo across the land would be apocalyptic.

Another point in your argument is that corporations may take over food production. "If wealthy corporations ever replace the family farm and hire organized labour, there probably will be food strikes." That is an appalling thought.

Would that mean that I couldn't buy one of those "chickens" that taste no more like chicken than my old running shoes, unless you platter them with some synthetic flavoring? Would it mean that I couldn't buy any of that enriched bread that tastes like wet klenex? Life just wouldn't be worth living.

However, I agree with your premise that the farmer has been left sucking the hind test in these years of inflation. I think the chief trouble is the same as that of the housewives: farmers are too stubborn and individualistic to get really organized. They should, perhaps, set up their own co-ops, processing, handling and sales organizations. That, of course, would leave us with mobs of unemployed middle-men.

But my heart is with you, chaps, and will be even the next time I pick up a \$1.49 a pound hunk of steak, look at it wistfully, replace it, and reach for the hamburger.

Spring into Summer

with central electric air conditioning

Don't let the hot days of summer slow down your get-up-and-go. Stay fresh as a daisy all year long by creating the freshness of spring in your home.

Total year-round comfort is well within your reach, if you think electrically; and there's even a Hydro Finance Plan to help you get started. Call your Hydro, and find out how the joys of spring can be with you every day of the year!

Complete comfort control isn't far away, if you already have a forced air heating system. Just add a central electric cooling unit, with electronic filter and humidity control. You can then enjoy your own custom climate with comfortably cool, clean air in every room.

LOOKING BACK ...

50 YEARS AGO

April 6, 1922

Last Monday evening a few young men were standing on the street corners. One of the young men was apparently entertaining the others with a recital of some trifling incident, but in order to give his story an undue importance he used the most shocking profanity. The ignorance and the bad taste of the youth was only shown in the use of language that is exceedingly distasteful to every well bred gentleman, but in the cumulation of profane words. Our town council recently passed laws to keep cows, pigs, and poultry off our streets, while at the same time permitting young men to stand on street corners and openly profane the name of Him whom every Christian delights to worship.

His head completely severed from his body and his arm and leg cut off when he slipped on the carriage leading to a saw in his saw mill at West Huntingdon in the third collocation of Huntingdon Township, James Forsythe, one of the best known residents of the district met instantaneous death on Wednesday morning last, about ten o'clock. The tragedy has shocked the entire community for the victim was one of the most highly respected residents of the place.

Several dozen new trimmed ladies' hats are on the way from the nimblest fingers. These hats are exquisitely made and finished by experts. The materials (if you examine them) you will find are the best. They come and go so quickly, too. The ever ready Sailor is much worn this year and the shapes and coloring are most becoming. Ladies' Smart Spring Coats—Lovely, soft V-neck and Polo Cloth, lined with grey silk. Just the garment any woman needs off and on all summer. Fawn, Reindeer, Mode, Blue. All sizes from 16 years selling from \$17.50 up. Children's Rompers and Ladies' Blouses—Very much reduced. These are slightly soiled but it will all wash out in the wash. Quite a pile of them. Lots of pretty little garments for ages up to 4 years. Some white voile blouses in the lot. Your choice 98c. Cross & Co. of Madoc.

A very quiet event took place at the Methodist parsonage at Ivanhoe, when Mrs. Cecil Adams was united in marriage to Mr. William Reid, by the Rev. Mr. Swaine.

Eldorado—Mr. and Mrs. Willie Chambers both are wearing a very pleasant smile. A new boy has come to lighten their home. Mr. and Mrs. Bate-man are wearing a pleasant smile. A new girl has come to brighten their home.

Birth—On March 11th, to Mr. and Mrs. Frederick Pringle, a son. (William Edward).

Died—At Madoc, April 1st, 1922, Gerald Patrick, son of Mr. and Mrs. Thomas Forestell, aged one year and three months.

Death visited the home again of the late John D. Nickle, and took another brother in the person of Mr. James D. Nickle.

24 YEARS AGO
April 1, 1948

The water in Moira Lake is the highest it has been in several years and the Madoc-Belleville road at the north side of the lake has been covered with over a foot of water for the past few days. A new bathhouse erected last summer by Mr. Colin Ross near his cottage, was damaged by the ice and water last week.

Mr. Chas. Johnston last week purchased the residence on St. Lawrence St. owned by Mrs. Edna McCracken. Mr. Johnston has been a tenant in this home for a number of years.

Mr. Kenneth Gordon has purchased property from the Village at the foot of Edin Street and has started the erection of a seven-room home. Mr. Mel Plane has commenced the

construction of a new home on Durham Street opposite the home of Mr. Fred Naylor.

Mr. Robert Jones, a member of the Dominion Bank staff here, has recently been transferred to the Dominion Bank at Port Arthur.

Charles Wilkman, Bonarlaw, had a pleasant surprise the other night while eating oysters at a supper held in the Springbrook Orange Hall. Feeling a solid substance in his mouth Wilkman discovered it to be a perfectly formed pearl.

Last Friday noon the local fire brigade were called to extinguish a small blaze, when a car driven by Mr. Lees caught fire while travelling west on St. Lawrence Street. The fire in the vehicle was caused by defective wiring. On Tuesday night the fire company was given another run, to the Brett Block, where a chimney fire was in progress. No damage resulted.

Six members of the Belleville Kiwanis Club were in town on Wednesday for the purpose of organizing local citizens in the organization of a Kiwanis Club in Madoc. Ten members of the Madoc Community Club were guests of the Belleville Club at a dinner served at one o'clock in Blue's dining room. Following dinner the forming of a club here was discussed.

Wedding—A quiet wedding ceremony took place in Madoc at the home of Mr. and Mrs. Jack Martin, on Saturday, March 27th, when Mrs. Jean Martin was united in marriage to Mr. Joseph Belcher. Rev. A. Poulter was the officiating clergyman.

Births—Mr. and Mrs. Frank Prentice, of Toronto, (nee Madeline Bird) announce the birth of a daughter, Heather Adele, in Wellesley Hospital, on March 26th, 1948.

Triplet girls were born to Mrs. James Bronson, on Tuesday, March 30th. Born prematurely the babies were rushed to Belleville General Hospital, where they were placed in an incubator. The attending physician was Dr. S. R. Beatty. The triplets were born at the home of Mrs. Bronson's sister, Mrs. George Devolin, and since being placed in the incubator at Belleville, two of the girls have died. Besides the triplets, the Bronsons have two sons, one 5-year-old and one eight and a half months old.

15 YEARS AGO
April 14, 1957

On Monday of this week we were pleased to have a visit from Mr. Geo. Luey, of Stirling. Mr. Luey, who is in his 86th year, informed the Review in his jovial manner, that he was travelling the country look-

ing for a town where the taxes were going down. So far his search has been in vain, but he promised that when such a place is found he would let the Review know.

About 40 people, including friends, neighbours and relatives, assembled at the home of Mr. and Mrs. Ed Taylor, Sr., on the occasion of their 23rd wedding anniversary. Music and dancing were enjoyed during the evening, followed by the opening of their many lovely and useful gifts. Mr. and Mrs. Taylor expressed their thanks to all and a dainty lunch was served at the conclusion of the evening by their daughters, Mrs. Tom Foley, Mrs. Durwood Tebo and Mrs. Fred Smith.

Police are searching for a poisoner, believed to have killed five dogs recently in the Wooler area. "There is every indication somebody is killing dogs deliberately," an officer said.

The Madoc and Tweed Art Club held their annual exhibit in the Madoc High School Auditorium, Wednesday evening. It was a decided success. The enthusiasm which the artists put into their work all year was most evident. Four paintings were chosen to be sent to the Travelling Art Display in Peterboro, April 8th. These will be shown later in Belleville. The paintings chosen for the Peterboro exhibit were: "Cassio Chute on the Scottamata River," by Veronica Cadwell, of Tweed; "The Whittler," by Margaret Connor; "The Sentinel" by Miriam Atkinson; "Horses Resting" by Luc Barker. Eight other paintings received honourable mention. These were "The Road North" and "Autumn Evening" by Miriam Atkinson; "Board Meeting" and "Salmon Lake" by Margaret Connor; "Harvesting" by Luc Barker; "Jeanne" by Vera Burnside; "Bannockburn" by Grace Nicol; and a still life picture by Dyke Ward, of Thomasburg.

Engagement—Mr. and Mrs. J. Melbourne Caverly have announced the engagement of their daughter, Doris Colleen, to Mr. Whitmer Bennett Floror, Jr., son of Doctor and Mrs. Whitmer B. Floror, of Baltimore, Maryland.

Birth—On Tuesday, March 26th, twin boys were born to Mr. and Mrs. Reginald Herrington in Belleville General Hospital. The birth of these twins is the third time that twin grandchildren of Mr. and Mrs. Charlie Rodgers have been born.

Death—Ill for the past six months, Dr. Grant T. A. Fraser, well known Madoc dental surgeon, died early Wednesday morning in Belleville General Hospital. He was in his 68th year.

OBITUARIES

PERCY STANLEY REYNOLDS

After a short illness, Percy Stanley Reynolds of 29 Dunbar Street, Belleville, passed away at his home on Thursday, March 16th, 1972, in his 78th year.

Born at Crookston, the deceased was a son of the late Mr. and Mrs. William Reynolds. He was a resident of Madoc before moving to Belleville 16 years ago.

Previous to his retirement in 1952, Mr. Reynolds had spent 30 years farming in the area. He was a member of the Standard Church.

Surviving is his wife, the former Jennie Groves, one son, Stanley Reynolds of Marmora, one daughter, Mrs. Otis (Shirley) Richardson of Frankford, and nine grandchildren.

Also surviving are two brothers, Henry Reynolds of Belleville, Oscar Reynolds of Madoc, and two sisters, Mrs. Clayton (Pearl) Murray and Mrs. Joseph (Mabel) Reynolds, both of Belleville.

The funeral was held on Sunday, March 19th, at 2:00 p.m. with Rev. Nelson Peters, Rev. Fred Clow and Rev. Raymond Martin, officiating. Interment will take place in White Lake Cemetery in the spring.

MRS. WILLIAM J. MCCOY

In failing health for the past three years, Mrs. Margaret Maude McCoy of Madoc died Saturday, April 1, 1972 at the Centre Hastings Nursing Home at Deloro. She was in her 75th year.

Daughter of the late Mr. and Mrs. Charles Nixon she was born in Madoc Township, and prior to her marriage taught public school in the Bancroft area. She was a member of

Trinity United Church and was when health permitted, active in church work.

Aside from her husband, she is survived by two sisters Mrs. Leah Southwick of Florida and Mrs. R. (Minnie) Timmety of Thunder Bay. Two brothers predeceased her.

The funeral was held on Monday afternoon, April 3rd with service conducted in the MacKenzie Funeral Home, Madoc by Rev. D. W. Heard.

Entombment took place in Madoc Township Vault with interment in Cooper Cemetery at a later date.

Bearers were: Charles Derry, Clarence Farrow, Perry Brownson, Edward Krupp, George Devolin and Ray Blinch.

MRS. WM. A. CHIDDLE

Mrs. Mary Elizabeth (Molly) Chiddle of 448 1/2 St. E. died suddenly at the age of 60 in Victoria Hospital, Renfrew, March 16, 1972.

She was born December 1911 at Millbridge, Ontario, daughter of the late William

and Mary (Tebo) Howe. She was educated in Millbridge and was married in 1934 to William A. Chiddle. She had lived in Renfrew for the past 22 years and was a member of the United Church.

Mrs. Chiddle is survived by her husband William, three daughters, Mrs. Earl (Beatrice) Curry, Pembroke; Mrs. Errol (Dorothy) Wilcox, Sunnyvale, California; Mrs. Ronald (William) Desjardins, Renfrew. Four sons, William J. of Westbrook; James E. of Nanawau; Douglas A. and Glen M. at home. Two brothers, John Howe, Lindsay; Basil Howe, Belleville; two sisters, Mrs. Archie (Dora) Guntter, Millbridge; and Mrs. Clarence (Lucy) Whiteman, Cooper and 13 grandchildren.

The funeral was held from McPhail and Perkins Funeral Home, March 18, at 2:00 p.m. Rev. H. A. Dickenson conducted the service. Interment was in Hillcrest Cemetery, Calabogie.

Palbearers were: Harry Moss, Harry Fraser, Leslie Buttle, Russell Buttle, Norman Juby and Fred Stewart.

NOTICE

All ex-service personnel and their dependents are invited to take advantage of a free Legion Service. Mr. Ian Urquhart, Service Bureau Officer from Ottawa, Ontario, will be at Madoc Legion Branch No. 363 on

TUESDAY, APRIL 18th

at 11:00 a.m.

to give skilled advice on veteran's benefits. Anyone with questions on War Disability Pension, War Veteran's Allowance (Burnt-out Pension), Treatment or Hospital care are urged to call on Mr. H. Govier, Phone 473-2889, who will arrange an appointment.

SPORTS ROUND-UP

(By BEV. BROWNING)

We'll, the local sports scene is very lean this week. In O.M.H.A. Juvenile B, the Campbellford team dropped two one-goal games in Aylmer last weekend to lose out three games to two. Gananogue won the Major Bantam "A" by downing the Leiston Stoneybrook Bantams three games to one. Wellington dropped their Friday encounters in Watford 5-3, but came back with 4-1 and 8-2 victories on Saturday and Sunday in a row that the Pee-Wee "D" Championship. This is the third year in a row that the Pee-Wee "D" trophy has come this way. Congratulations, Wellington Pee-Wees.

Stirling is tied up with Six Nations in the Bantam "DD" finals. The final game in this series is this Sunday. Meanwhile, Madoc is still alive and kicking, but have a tough uphill battle if they want to be Ontario champions. For you people with friends and relatives in Keene, the Keene Bantams are all tied up in their series with Ilderton with the final game set for this Bantam "E" final in Ilderton next Sunday.

For any Tweed hockey fans the Schomberg Midgets knocked off Norwich three games to none in their final series. If you wonder where I get this information, the London Free Press keeps track of all the Minor play-offs. I feel the London paper has the best sports pages in Ontario.

With the snow quickly disappearing, road hockey is now in full swing. Remind your boys that cars are much more powerful than they. Most drivers are careful and most boys are careful, but in both cases it just takes one careless driver or one careless boy to bring tragedy to our village. Life is too precious to let this happen. Roads were made for cars and trucks, not for hockey rinks.

With Spring upon us the bicycles will soon, if not already be out in full force. Reviewing bicycle safety with your son or daughter may again save yourself, your friends and the town from tragedy. Again, most are careful but everyone tends to be careless now and then.

Come on, Dad, it will only take a few minutes to check that bicycle. A neglected pedal, wobbly wheel or loose handlebars may take the life or cripple your child for life. If your son or daughter won't follow the proper road rules take that bicycle away until he or she can ride it properly. Would you let your son or daughter (if of age) drive your car like they ride their bicycles around town.

Each Spring at our Public School with the co-operation of the O.P.P. we hold safety lessons regarding bicycle riding and care of the bicycle. But both you and I know who has the "strongest" say. So how about it. Take a few minutes. It may save grief to both you and the people around you.

I read a headline in a Toronto paper recently. It read, "Youth Shot In The Parking Lot". Okay, you doctors in the crowd, what part of the human anatomy is the parking lot?

Something I'll Never Find Out Department — While returning from London Monday afternoon, I was surprised to see a car going the wrong way on the 401. Just west of the Highway 27 turnoff in the passing lane (there are four lanes across at this point). Slowly coming up the pavement you are supposed to keep off, was a car going the opposite direction. Now the something I'll never find out is (1) how did this car get across four lanes of traffic (2) how was it going to get turned around with four lanes of heavy traffic coming towards it.

One thing I do know — driving the car was a "lady driver". You should have known. Only a "woman driver" could come down the wrong way on an exit ramp and cross four lanes of traffic. And they say men are the best drivers.

Play-off predictions — first round, Boston over Toronto (5 games); New York over Montreal (7 games); Chicago over Pittsburgh (5 games); St. Louis over Minnesota (6 games).

Now, what is really going to happen is Boston, Montreal, Chicago and Minnesota are going to be victorious.

Madoc and District Minor Sports would like to thank "Gary Dowse" for refereeing our final two games in our Saturday hockey. On short notice Gary made himself available to do both games. Thanks, again.

With our Saturday Hockey league completed I feel we were successful if we taught our players to co-operate with other members on his team, if we taught them to be good sports, if we gave "everyone" an equal share of "ice-time" and if we taught our players to play better hockey. If we failed in any of the above our Saturday program failed to accomplish what it should have.

Fans don't like to see players fighting amongst themselves. Most frown on profane language and any showing of poor sportsmanship. It's easy to win and take the glory. But if you can take a loss gracefully, that's when your true character shows through.

To the coaches, I hope you gave your players a fair share of ice-time. If you didn't, you failed. You cannot develop poor skaters and new players by sitting them on the bench. Soon you will be left with only five or six players when you should have at least fifteen.

Our thanks go out to Doug Woods and Jack Douglas who coached the Leafs; Gord Preston who coached the Canucks; Harold Harris who coached the Canadiens and Ross Clark and Ron Hyde who coached the Bruins. You gave up your time to help with our Saturday program. Without this help it never would have gotten off the ground.

Don't be too surprised if Sports Round-Up goes under another title for the next few months. With sports becoming scarce, and because I write about things other than sports, I'm going to see if I can get the heading changed until next Fall anyway. Even if the title is changed, it will still contain all local sports events, amongst other things.

Sure wish I knew how that lady driver got turned around on the 401.

TENDERS

Tenders are called by the Madoc Recreation Committee for the operation of the Refreshment Booth at the Ball Park for the 1972 summer season. Tenders may be either on percentage basis or on a flat rate for the season.

Please submit Tenders in writing to P.O. Box 280, Madoc, on or before April 18th.

Lowest or any tender not necessarily accepted.

MADOC BANTAMS ONE GAME FROM ELIMINATION

Belmont returns to Madoc this Saturday for what might be the final game of the series. After holding Madoc to a 6-6 overtime tie, Belmont came back in the fourth game on Sunday to win 10-3.

The local lads played well enough to win Saturday night but a couple of instances kept them from victory. On Sunday they didn't come out skating and fell behind 6-1 after two periods.

If I was to write my own personal views on the games you would probably think "sour grapes". I will say there was something more sour on the ice. There is no snow in Belmont, but somebody got a snow job.

Belmont is a good team and probably will make worthy champions. They don't need help to tarnish something they can win on their own.

So the fifth game goes this Saturday evening. Time will be announced later this week.

Summary — Saturday — Madoc 6, Belmont 6
First Period — 1. Madoc - S. Johnston (Elliott, Forestell), 3:45. 2. Madoc - H. Willemssen (Forestell), 10:10. 3. Madoc - S. Johnston (Forestell, Smith), 15:15.
Second Period — 4. Belmont - C. Legg (D. Simpson), 0:30.

Canucks Win Championship

After a third-place finish in the four team Saturday morning Hockey League the Canucks knocked the Canadiens into the Consolation Round in two straight games and then went on to down the top place Leafs in three straight games to win the championship trophy.

Leading the best of five series 1-0 the Canucks came from behind in the third period to overcome a Leaf 5-2 lead to win the game 6-5 in the dying moments. On Thursday night the Canucks led by a five-goal performance by Glen Brown and goals by Tim McCann (2), Brian Willemssen and Joseph Dove won the championship with a 9-4 win.

In the Consolation Round the Canadiens came up with a 7-4 victory in the second game of the series with the Bruins and polished off the series with a 6-0 win on Thursday night. The win gave the Canadiens the H. Harris Consolation Trophy.

Results — Championship Trophy — Canucks, Runners-Up — Leafs, Consolation Trophy — Canadiens.

Saturday Hockey League — composed of Novice and Pee-Wee Age boys — (9-12 yrs. old).

Summary: Championship Round
Canucks 6 - 9, Leafs 5 - 4 (Canucks won championship 3-0).

Goals - Assists (both games).
Canucks — Goals: Glen Brown (8), Tim McCann (3), Tommy Preston, Mark Johnston, Joe Dove, Brian Willemssen. Assists - Mark Johnston (2), Tim McCann (2), Glen Brown (2), Paul Hyde.

Leafs — Goals - Sammy Bossio (4), Larry Bailey (3), Glen Moore, Danny Adams. Assists - Larry Bailey (4), Doug Woods (2), Gary Johnston, Sammy Bossio.

Consolation Round
Canadiens 7 - 6, Bruins 4 - 0
Canadiens won consolation 3-0.
Goals - Assists (both games).
Canadiens — Goals - John Watson, Jim Moore, Craig Robinson, Alan Wiggins, Garry Chapman.
Bruins — Goals - Duane Bateman (3), Bradd Lloyd. Assists - Kevin Kirkpatrick, Lorry Kirkwood, Wayne Wilmsen.

COUNTY BOARD OF EDUCATION HOLD REGULAR MEETING

A regular meeting of the Hastings County Board of Education was held in the Board Room, 208 Bridge St. East, Belleville, at 7:30 p.m. Monday evening, March 27, 1972 with all members present except Messrs. Collins, Fairman and Weaver.

E. Robinson — M. Waller — that the Minutes of the regular meeting of March 13th, 1972, be approved as presented.

J. Clarke — N. McKibbin — that the accounts for February, as presented by Business Administrator K. Wormald, be approved.

M. Smith — Mrs. M. Graham — that the report regarding Capital Program Allocations, as presented by Superintendent F. Tate, be tabled until the next regular meeting of the

Board, pending further information. Carried.

Chairman Williams announced two important conventions for Trustees:

1. The Canadian School Trustees' Association annual Convention, May 28-30, Edmonton, Alberta.

2. The annual School Board Conference, sponsored jointly by O.I.S.E. and the Ontario School Trustees' Council, May 28-30, Toronto, Ontario.

Mr. Williams suggested that any Trustees interested in attending either of these conferences should advise L. F. Reid as soon as possible in order that registration and accommodation can be arranged.

Messrs. Watson and Wormald presented a revised budget proposal, a portion of which was very carefully reviewed by the Board.

Chairman Williams relinquished the chair to Vice Chairman Macdonald in order to express his opinion on the budget.

D. Williams — R. Rowe — that the Chairman of the Board appoint a committee of trustees and administrative personnel to meet with the Minister of Education for the purpose of discussing local mill rates, taxes, etc., and to express grave concern regarding the wide fluctuations and the apparent trend to shift the burden of taxation from the urban to the rural municipalities.

Mrs. M. Graham — J. Forbes — that the review of the budget be continued at the next regular meeting of the Board.

L. Gunning — Mrs. J. Hutchison —

that the time for adjournment of the meeting be extended beyond eleven o'clock for the purpose of giving consideration to further urgent items of business.

N. McKibbin — R. Rowe — that the Board approve the temporary appointments to elementary and secondary school staff as listed in D.12-1 of the Agenda and forming a part of these Minutes.

J. Clarke — E. Robinson — that the Board approve the probationary appointment and recommended school assignments, effective September 1st, 1972, of the teachers named in the list shown as D.12-2 of the Agenda and forming a part of these Minutes subject to proof of qualifications and other necessary documentation being re-

ceived. Carried.

E. Robinson — L. Gunning — that the Board accept the resignations of the teachers named on item D.12-3 of the Agenda and forming a part of these Minutes effective August 31, 1972 with duties terminating June 30, 1972 and March 31, 1972 respectively.

Mrs. M. Graham — L. Gunning — that the settlement between the Hastings County Board of Education and the Canadian Union of Public Employees, Local No. 1022 be approved.

Settlement Pay: All employees on payroll as of the date of ratification to receive 23c for each hour worked between February 27th, 1972 and date of ratification.

Mrs. J. Hutchison — Mr. J. Clarke — that the Non-teaching Union Negotiating Committee be commended for the outstanding work done on behalf of the Board to reach such a prompt and mutually beneficial settlement.

J. Forbes — R. Rowe — that the meeting adjourn, including acceptance of the report of the Committee of the Whole.

Carried.

PHARMACY

MADOC, ONTARIO

CARD OF THANKS

I wish to thank all my friends and the staff and nurses of Madoc Public and Madoc Township School for the visits, flowers, basket of fruit, gifts and cards received while a patient in the Belleville General Hospital and since I returned home.

Bonnie Halstone

I would like to thank Captain and Mrs. Thompson, Mrs. and Mrs. Harlow and my friends for their acts of kindness and sympathy shown to me during the loss of my mother, Mrs. Vera Parsons of Brussels, Belgium.

Bonnie Halstone

The family of the late Joseph Mordoch would like to express their deepest appreciation to all those who remembered him with cards, letters and flowers and our special thanks to the neighbours, Dr. Berry, Dr. Allen MacKenzie Funeral Home and the staff of the 9th floor in the Belleville General Hospital.

14-1p

Sincere thanks to all those who sent cards during my stay in the hospital, and since my return.

Special thanks to Dr. Bateman, Dr. Richardson and Dr. Scott for the quick action and constant vigilance.

Mrs. Wayne Blackburn

I wish to thank my friends, relatives and neighbours for the gifts, flowers, letters and cards and those who visited me while I was a patient in the Belleville and Kingston General Hospitals.

A special thanks to the nurses on fifth floor in Belleville Hospital, 9th and 10th floor Wing and 2nd and 4th floor Victory Wing of Kingston Hospital, also Dr. Dora, McIntosh, Parker, Charlotte Gibson and Grant for the splendid care to my bedridden mother and Roy Thompson for their prayers and kind words, and to all those who have helped while I was convalescing.

Beryl Carman

MADOC BAPTIST CHURCH
MISSION CIRCLE

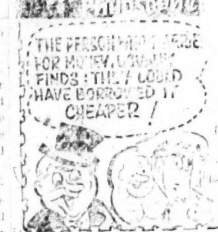

The March meeting of the Women's Mission Circle met at the home of Mrs. James Farber on Monday evening, March 27th at eight o'clock. Mrs. George Wood presided. She read a poem, "God Will Be With You" and also "One Day At A Time" by Helen. "Only Trust Him" was sung, followed by prayer. The minutes of the last meeting were read. Roll call was answered by repeating a verse of Scripture naming a man of the Bible. Prayer was offered by Mrs. Farber and Mrs. Beaudou for the missionaries.

Hymn, "What A Friend We Have In Jesus" was sung. Offering was received.

Mrs. George Wood, program

conductor, conducted the rest of the meeting with the theme being on Gethsemane. Mrs. Wood read a poem, "The Garden" Scripture was read from Mark 14: 32-42 then a reading on the Lord's Memorial Supper was given. Hymn, "It Was Alone The Saviour Prayed in Dark Gethsemane" was sung. We must enter the Garden with the Lord in order to understand it. We were reminded of the great grief of Jesus how that He was made sin for us.

Job Opportunities For Students

(Continued from Page 4)

1. Summer Volunteer Program 72 contact Miss D. Crittenden, Department of Social & Family Services, 6th Floor, Hepburn Block, Queen's Park, Toronto, (416) 365-2388. In this program, 300 secondary and 50 post-secondary students will be involved in social activity projects with institutions in the department's program. Their involvement will be over a period of 8 or 14 weeks, with service awards of \$500 and \$900.

2. Project SWEEP contact Project SWEEP, Queen's Park, Toronto, Some 2,600 secondary and post-secondary students 18 years and older, will be employed for 8-12 weeks in a variety of environmental activities. Payment will range from \$1.65 to \$2.50 per hour and some positions will require resource-re-

quired qualifications. 3. Urban-Rural Exchange Program contact C. L. Hamilton, Department of Agriculture and Food, Parliament Buildings, Toronto, 182, Ontario (416) 366-1241. This summer, about 15 post-secondary and University students, with 4-H and Junior Farmer experience will co-ordinate the Urban-Rural Exchange, an alternative to employment program.

They will be employed for approximately 15 weeks, at \$85 per week. A car is required. 6. R.S.V.P. contact W. H. Mitchell, Mental Health Division, Ontario Department of Health, 11th Floor, Hepburn Block, Queen's Park, Toronto, (416) 365-6221. The students will serve for two months and will receive a service award of \$500.

Ontario Youth Summer Employment contact Junior Achievement of Canada, 144 Yonge Street, Toronto, Ontario, (416) 363-4435. Under the direction and guidance of Junior Achievement staff, about 700 secondary students from 15 to 19 years of age will operate miniature companies during the summer.

8. Project SNAP contact Dr. Barbara Blake, Ontario Department of Health, 9th Floor, Hepburn Block, Queen's Park, Toronto, (416) 365-5081. In this project, students will organize and supervise recreational programs with residents of nursing homes and homes for special care. The program will be carried out by 60 secondary and post-secondary students. Service will be for periods of 8 and 12 weeks, with service awards of \$300 and \$1,200.

9. Project CHSP contact R. E. B. Smith, Department of

KIWANIS CLUB DONATE PROPERTY FOR MEDICAL CENTRE

O.E.S. To Hold Kick-off Dinner

Madoc Chapter Order of the Eastern Star held their regular monthly meeting on Monday night.

The members are pleased and proud to receive Mrs. Margaret Reid by affiliation into the Chapter. An Honorary Membership was presented to Mrs. Pauline Claire of Belleville, District Deputy Grand Matron of District 12 by Mrs. Margaret Derry, Past Matron.

After a brief discussion, a motion was made to support the proposed Medical Centre by serving a banquet on Saturday, May 13th in the Masonic Banquet Hall to 100 guests at \$5.00 per plate. All proceeds for this fund are to be applied to this fund. Tickets will be on sale this week and your support will be greatly appreciated.

C.H.S.S. Student Involvement In Science Fair

Sue Napadek and Dave Hedley carry out The Investigation Of The Effects Of Drugs On The Heart Beat Of Daphnia Magna and Daphnia Pulex under the direction of Mr. Raghubir at the Science Fair being held in Belleville on April 14th and 15th.

In the investigation three depressants were used (1) Amytriptyline, (2) Benedictin, (3) Diazepam, and three suppresants (1) Adrenaline, (2) Thyroxine, (3) Caffeine.

Summary of Average Results of 10 Trials: Daphnia Magna - Normal 258 heartbeats per minute; Depressants (1) 153 heartbeats per minute, (2) 137 h.p.m., (3) 137 h.p.m. Suppresants (1) 279 h.p.m., (2) 269 h.p.m., (3) 275 h.p.m.

Daphnia Pulex - Normal 180 heartbeats per minute. Depressants (1) 140 h.p.m., (2) 136 h.p.m., (3) 126 h.p.m. Suppresants (1) 183 h.p.m., (2) 206 h.p.m., (3) 184 h.p.m.

Another student, Gary Moore did the Microphone and Receiver under Mr. P. Bates, and the Stethomanometer, the Tell Tale instrument under the direction of Mr. Raghubir.

ALEX McCURDY HEADS FEDERATION OF AGRICULTURE

At a recent meeting of the Hastings County Federation of Agriculture, George Carlisle conducted the election of a new slate of officers as follows:

O.F.A. Director: Henry Van Winkoop; President: Alex McCurdy; 1st Vice: Ivan May; 2nd Vice: Ray Donnan; Secretary: Allan McDonnell; Treasurer: Glenn Bush; County Directors: Stanley Geen, Charles Irvine, Glen Elliott, Harold Harris, Jim Wallbridge, Ron Graham and Mrs. Shirley Reid.

Reports were given on the O.F.A. "Farm Insurance Meeting" held in Kingston, the "Hastings County Social Security Day" held in Stirling, and the "Ontario Wheat Board Meeting" held in Toronto, all in March.

On Monday evening, April 17th at 8:00 p.m. Hastings Cable Vision will be presenting a Special Events Telecast on ADDICTION. On that Monday, an Addiction Seminar is being conducted in Madoc by Alcohol and Drug Concerns of Don Mills. H.C.V. will be at the Seminar with its portable camera to get portions of the day's events on tape. Some of the personnel conducting the Seminar will be staying over for the evening Telecast. By combining taped portions of the Seminar and live discussion in the studio H.C.V. hopes to convey to the public as a public service, some of the content of this special event in Madoc. Remember, on Monday, April 17th, 8:00 p.m. H.C.V. will be bringing you a special events Telecast on ADDICTION.

School Budget Cut Opposed

Confronted with budget cuts he considered detrimental to education, Eric Runarcs, Hastings County's Director of Education expressed strong opposition and won his point at a meeting of the Hastings County Board of Education Monday night.

A cut of \$389,334 in the extraordinary expenses portion of the total budget of \$22,622,546 was proposed by the trustees, but on protest of Mr. Runarcs, a cut of \$111,546 was approved instead. The total education budget for the County now stands at \$22,511,000.

Impact of the cut will be felt chiefly in 11 municipalities that receive no provincial subsidy on their taxes, where it is estimated the taxes will decrease by about 1.9 per cent. In 15 municipalities that receive subsidies on only the elementary mill rate, including Deloro, Madoc, Stirling, Tweed and Rawdon, education taxes are expected to decrease by about one per cent.

The budget cut will involve moving the sum, and the programs for which it was budgeted, from the extraordinary expenditure portion of the budget, on which the province pays no grants, to the ordinary expenditure portion, where the province this year pays about 71 per cent of the cost.

The reallocation means that an equivalent amount will have to be removed from the ordinary expenditure portion. Trustees charged administration with the responsibility of recommending areas where programs will be cut back or eliminated.

Transferred from the extraordinary portion of the ordinary portion of the budget was a total of \$112,195, included \$64,195 for the community use of schools program, \$33,000 for cost of transportation for school excursions and \$5,000 for investigation into an administrative building, half the originally estimated cost, and \$10,000 from the new site acquisition cost. The sum was defeated on a technicality on the first vote. MacDonald Smith, who had taken the initiative in asking for the transfers, then moved that the amount of the total budget be changed to \$22,551,000, a reduction of \$111,546, so that a new vote could be taken.

"It's difficult, but we could live with it," said Mr. Runarcs of the smaller cut.

Trustees told their administrators that they wanted the community use of schools program to continue. Earlier, they had questioned the \$106,850 al-

DEVELOPMENT WORK GRANTS APPROVED

Mr. Clarke T. Rodins, M.P.P., Hastings, last week announced that he has been advised by the Honourable James A. C. Auld, Minister of The Environment, that approval has been given for a provincial grant of \$600,000 to the Moira River Conservation Authority, for development work in the O'Hara Mill Conservation Area.

Approval has also been given for a provincial grant of \$800,000 to the Moira River Conservation Authority for the Tharion Conservation Area.

location for professional development of teachers and set the program aside for further consideration. Also set aside was part of the outdoor education program when Mr. Smith questioned a large salary increase for the co-ordinator, and some capital costs for the program.

Also referred back for further consideration was the educational services allocation. "You have given us some clues tonight as to how you want this (the cuts) done," said Mr. Runarcs. "They could be covered at the sacrifice of some other programs."

RECREATION LOTTERY INITIATED

A new lottery-raffle to raise funds to help Madoc and area recreational programs has been initiated by five Madoc citizens, Earle Helps, Bill Bond, Ed Hyde, Les Tarrant and Jim Watson Jr. They have received a licence to operate a ticket sale and draw for the purpose of raising money in aid of ball, hockey, swimming, summer playground, art and craft shows, music concerts and other recreational activities sponsored by the Madoc Recreation Committee.

It is planned to sell tickets throughout the area with 50 per cent of the proceeds being awarded as prizes. Three prizes will be awarded, representing 25 per cent, 15 per cent and 10 per cent of the proceeds from the sale. Draws will be monthly on the last day of each month during April, May and June from ticket sales during that month. Tickets will be destroyed after each draw and a different colored ticket will be sold for succeeding months.

Anyone wishing tickets may obtain them from the organizers and other local outlets.

SPRING IS HERE! Out come the children, the bicycles, the skipping ropes, the balls. Drivers are advised to be on the alert for carefree children playing or running on the roads... for worry-free youngsters trying out their bikes. Parents are reminded to make sure that their children play in safe places away from traffic, that they know and obey the traffic safety rules on foot or on their bicycles, and that the bicycles they ride are in safe mechanical order.

Mr. Orval J. Ross of Madoc Pro Hardware has just completed a concentrated seven-day course in Retail Management held in Toronto by the Hardware Management Development School, a division of the Canadian Retail Hardware Association.

Mr. Ross returned to the classroom for studies in modern retail procedures to better serve the needs of the consumer in his community.

C.H.S.S. REPORT

(By GORD REID)

On Monday a group of grade ten students spent the day at the Ontario Parliament Buildings, Queens Park, Toronto.

The students sat in on a session of parliament where they heard government officials, such as Bill Davis, Darcy McKeough, Stephen Lewis and Robert McLean. These men were only part of a group presenting formal discussions. Each person would stand up and give a short speech on what he is involved in and the whole group would discuss it.

Two things that were asked during the discussion were about the new airport. When Mr. Nixon questioned Mr. Davis on the new airport, he wasn't given a direct answer. The second item of interest was that next year grade 13 scholarship students will no longer be given 100 dollars along with their certificate. They'll only receive a certificate. Along with that, the government is trying to introduce the credit system to all schools in Ontario.

One thing that fascinated a few of these students was the fact that there were twenty page boys at these sessions. These boys acted as messengers to the different party leaders. They are grade eight students that only go to school for six hours each week for five weeks. There's only one catch - they must have at least 80 per cent average in their school work.

Tremendous interest in the Medical Centre for the Village has been expressed by numerous service clubs and individuals in the area since it was first proposed.

The municipal office has received letters of encouragement as well as verbal expressions

favouring the building of such. Since the public meeting held two weeks ago, at which the Town Hall was filled to capacity to discuss the Centre, at least two organizations have shown their support.

The local Kiwanis Club has offered to donate all of Lot 12

in the Village to the Medical Centre. This lot covers an area 66' by 193'. According to Orval Ross, President of the Club, there are two adjacent lots which will be available for parking.

The Madoc Branch, Order of

the Eastern Star, has announced that they will launch the fund-raising program with a dinner to be held next month, donating all proceeds to the Centre. They hope to present the committee with \$500.00 from the dinner by selling 100 tickets at \$5.00 each.

MINE SAFETY RECORD ENDS, MAN INJURED IN ACCIDENT

Bill Norman a 27 year old underground miner at Canada Talc Industries was seriously hurt by a fall of rock on the 560 ft. level at approximately 8:10 a.m. Monday morning.

Mr. Norman and his working partner, Edward Piszczek, had just started their working shift. Mr. Norman had entered the new drawpoint area to scale

down loose rock in advance of drilling. He had just scaled a small piece of rock, approximately one foot square, inadvertently releasing a much larger rock, approximately 1 ton in weight, which struck him on the side and pinned his lower body to the broken rock he had been standing on.

His partner, Edward Piszczek, who was unable to free him at the time, immediately went to the shaft area and summoned help. Returning to Mr. Norman, he again proceeded to free his working partner. This time he was successful in removing some rock beneath Mr. Norman and using a scale bar was able to pry the rock enough to remove Mr. Norman, who had been pinned there about 10 minutes by then.

Help arrived just as they started out of the working area. Mr. Norman walked out to the shaft area under his own power, where he was met by Dr.

zok, who was unable to free him at the time, immediately went to the shaft area and summoned help. Returning to Mr. Norman, he again proceeded to free his working partner. This time he was successful in removing some rock beneath Mr. Norman and using a scale bar was able to pry the rock enough to remove Mr. Norman, who had been pinned there about 10 minutes by then.

Help arrived just as they started out of the working area. Mr. Norman walked out to the shaft area under his own power, where he was met by Dr.

Derry and Supervisor Personnel of Canada Talc. He was immediately removed to surface and taken by ambulance to Belleville General Hospital. Investigating officers of the OPP were Cpl. Burchat of Madoc Detachment and Sgt. Howling of I.D. Branch of Belleville Detachment. Mr. Norman is now listed in fair condition by the Belleville General Hospital. This was the first serious accident at this small underground operation since 1968. The mine had attained accident-free records for the years 1969, 1970 and 1971.

MOIRA RIVER CONSERVATION AUTHORITY BOARD MEETING

A meeting of the Pollution Control Advisory Board of the M.R.C.A. was held on Thursday, March 23, 1972 with a good attendance.

The Board Chairman welcomed the Members to the first Meeting of the Board in 1972 and the second Meeting of the Board since its establishment. J. Spry — A. Duffy — that, the Minutes of a Meeting held on April 29, 1971 be adopted as read.

The Chairman asked the members to recommend program projects with which the Board might become involved. The suggestions included:

1. The preparation of a large scale map of the watershed on which all known or suspected sources of pollution would be shown.
2. Investigating and publicizing the pollution effects of insecticides, herbicides and fertilizers and encouraging where possible and desirable the use of less harmful methods of control.
3. Investigate alternate methods of garbage disposal that will cause less pollution than the present land fill method.
4. Collect a library of pollution information.

A. Duffy — J. Watson — that the Resources Manager be authorized to prepare a sectional large scale map of the watershed on which all known or suspected sources of pollution will be marked.

C. R. Whittemore — J. Spry — that J. Watson be the representative of the Pollution Control Advisory Board to work and co-operate with the Madoc Youth Environmental Services Project.

C. R. Whittemore — Mrs. L. S. Wilson — that, the Information and Education Advisory Board be advised that the Pollution Control Board will provide information for inclusion in this Authority's Twenty-fifth Anniversary Publication.

J. Watson — C. R. Whittemore — that, the Pollution Control Advisory Board meet on the third Thursday each month from April through August. Evening meetings to be called at 7:30 p.m.

J. Watson — C. R. Whittemore — that this Board commends the proposal of the Information and Education Advisory Board to organize a pollution picture competition similar to the one conducted by the Uxbridge Committee on Pollution.

Mr. Guy Hughes was authorized to represent the Board at a "Clean Up Week" Meeting in Tweed on April 18, 1972.

The members recommended that information and correspondence concerning pollution be filed in a separate "Pollution" section in the Authority Files.

The Meeting adjourned at 9:40 p.m.

J. H. McLEOD, Secretary - Treasurer.

ST. PETER'S W.M.S.

The Women's Missionary Society and the Women's Club

convened in the Sunday School auditorium for the Easter Thank Offering Meeting with Mrs. Orin Reid in charge. Miss Marion Robertson was pianist.

A special Easter Worship Service, prepared by Miss Frieda Matthews, was presented with Mrs. Reid as leader. Four passages of Scripture, Isaiah 53: 3-5, Luke 23: 33-49, Math. 28: 1-10, and Math. 28: 16-20, were read by members of the club. The hymns, "Jesus, Keep Me Near The Cross", and "Christ the Lord is Risen Today", were sung.

The church choir, with Mrs. Wm. Aylsworth as leader, sang an anthem, "God Made Our Hands".

This devotional period presented the call that comes to us today, to proclaim the joyful message of the Resurrection to proclaim that Jesus is Lord.

It was announced the spring rally of the Kingston Presbytery is to be held on May 31st, at Stirling.

Mrs. Hawkes introduced the guest speaker, Mrs. G. R. Williamson of Tremont, president of the Kingston Presbytery.

Mrs. Williamson based her remarks on the Bible verse, "Then said Jesus to them again, 'Peace be unto you: as my Father hath sent me, even so send I you.'"

so send I you.

In a very interesting manner, she presented briefly the organization of our Women's Missionary Society and the mission work that is being accomplished at home. Speaking of the mission work in India, Taiwan, Nigeria, etc., Mrs. Williamson stressed the fact that these churches want to be equal partners with the western churches.

Mrs. Reid closed the meeting with prayer.

Lunch was served, and a time of fellowship was spent.

Settlement Reached

The Hastings County Board of Education and Local 1522 of The Canadian Union of Public Employees have reached a settlement on a new Collective Agreement.

The Contract became effective on February 27th 1972 for a twenty-six (26) month period and covers Classroom and Maintenance employees throughout the entire County of Hastings.

The new Agreement provides for a 2% per hour increase in the first year of the Contract and a 2% per hour increase in the second year.

The Fringe Benefit program was also extended and is generally in line with present Board Policy for other employee groups.

ELZEVR & GRIMSTHORPE COUNCIL MINUTES

Council of the Townships of Elzevir and Grimsthorpe met at Acinoltite, Ontario, on Tuesday, April 4, 1972, at 8:00 p.m., with all members present, and Reeve K. Smith presiding.

The minutes of the March meeting were read.

It was moved by J. Kehoe, seconded by E. Alexander, that the minutes be adopted as read.

Correspondence was read and accounts presented.

A motion by K. Cassidy, seconded by J. Kehoe, that tax refund be made on 1971 taxes to Harry DeChair - \$51.77, Michael Irla - \$49.05, Leonard Parks - \$272 was carried.

It was moved by K. Cassidy, seconded by J. Kehoe, that the following accounts be paid: Road Voucher No. 3, \$1,655.02; Tax Refunds, \$103.54; Ontario Hydro, \$172.75; Tweed Fire Dept., \$62.50; Misc., \$17.72.

It was moved by E. Alexander, seconded by C. Gordon, that council adjourn to May 1, 1972 at 8:00 p.m.

Lloyd H. Price, Clerk - treasurer.

JOINS KINCAID BROS. I.G.A.

Mr. Bert Bowker, a highly-qualified butcher of wide experience, has joined the staff of Kincaid Bros. I.G.A. as meat manager.

Mr. Bowker, who came here from the Haliburton I.G.A., has had 25 years experience in the butchering business. He spent seven and one half years apprenticing and three years at university studying meat diseases. He has also spent some time studying slaughtering.

Originally from Manchester, England, Mr. Bowker has gained tremendous knowledge of the business, having butchered in many countries, including Europe, West Germany, Spain, Holland, and Switzerland. Since coming to Canada seven years ago, he has worked in various locations here, including Calgary, Alberta.

Mr. Bowker's wife and family are presently residing at Haliburton, but are planning to move to Madoc next month. They have two children, a daughter, Gail, age 11, and a son, Paul, age six.

RATHER BE**

(By BILL SMILEY)

As I write, the so-called first day of spring has long gone, but the only indication that winter is nearly over in these parts is that the curling season is drawing to a close.

Outside the window the snowbanks look like the iceberg that sank the Titanic. Inside, the furnace thumps away like a bull moose that has just outrun a pack of wolves. And every four days, it seems, the oil delivery man wades through the drifts, inserts that solid gold nozzle in the side of the house, and whistling cheerfully, pumps another \$30 worth of oil into the great guzzler.

It is a time to try men's souls. It is a time of year when I curse my Irish forebears for not emigrating to New Zealand or South Africa or Jamaica.

However, it happens every year, and there's always some little ray of spiritual or emotional sunlight to penetrate the late-winter blues.

My little ray of sunshine (at four o'clock in the afternoon) is sleeping the sleep of the pure at heart. She's been in the sack since 7:30 this morning, after sitting up all night talking to her crazy mother, who suffers from insomnia.

It's not that Kim disturbs the quiet, gentle routine of our daily life. She doesn't disturb it at all. She destroys it.

As mentioned, she's a night-owl. Does her best work, writing essays and stuff, after midnight. And just like the owl, she can sleep all day.

Same with eating. She's never hungry when anyone else is. If dinner is carefully planned for six-thirty, she is suddenly famished at five-thirty and smashes herself up a big mess of bacon and eggs or spaghetti and sardines, leaving her mother and I looking ruefully at the roast. Or else she is not hungry at dinner-hour and will eat nothing but some celery, and then about eight-thirty is fainting and slaps up a vast concoction of fried bananas and mushrooms.

These are minor things, of course, and she's a delight to have around the house. When she's here, at least I know why my socks are disappearing and I haven't a clean shirt to wear.

The problem, you see, is that we ask her home for a weekend. She throws a clean blouse in a shoulder bag and heads home. But she hates the city so much that her weekends turn into a six-day sojourn, and she has to wear somebody's clothes, and she and her mother can't abide each other's taste in garments, so she wears mine, which are so drab and nondescript that nobody could fight over them.

As I said, these are trifles. But she's always in some kind of hassle, and these are the things that produce the hours-long, all-night sessions with her old lady, while I lie blissfully, dreaming of the grand old days

when she was a cuddly infant. She's still pretty cuddly, by the way, but not for the old man. And that's the sort of thing she and her Ma can talk about for six hours at a stretch, without either one drawing a full breath.

They can talk about Don and The Wedding. This is not the title of a Russian novel about the Don River. Don is the other man in her life, and The Wedding is causing more confusion around here than anything since the day we discovered our tomcat was pregnant.

The great event is scheduled for May. Typically, Kim announced that they had chosen May 7th as the day. And typically, her mother, who never misses anything important like this, though I doubt if she knows the name of the prime minister, checked the calendar and discovered that May 7th is a Sunday. Not many people get married on Sunday, though I don't know why not. There isn't much else to do.

I've had a lot of free advice about the wedding. Most people chuckle fiendishly as they tell me what it's going to cost. "Well, she's your only daughter, so you'll have to go the whole hog, eh?" Or, "Well, it only happens once and it'll cost you a bundle, but think of the loot she'll get." Consoling stuff like this.

In the first place, I wouldn't care if I had ten daughters. Well, maybe I would. But in the second place, I don't want her to get a lot of loot. We'd wind up storing it in our house for ten years until she and her broke intended are making enough to afford more than an unfurnished room.

Her mother promptly announced that she was not up to a big wedding with all the frills, the smartest decision she has made since she agreed to marry me. Her mother, that is.

Next, I laid it on the line. Four choices. A small wedding, immediate family only, and a fair-sized cheque. A slightly bigger deal, with a smallish reception, to include close friends, and a small cheque. A big splash, with a lot of people, and no cheque. Or a massive affair, with pomp and circumstance, in a city hotel ballroom, with her uncle and god-father, a well-to-do lawyer, paying the shot, if she could talk him into it.

She chose No. 1. But we'll see. We're far from out of the woods yet.

ADDRESS

Are your children aware? . . .**IS STEALING****"But The Store Won't
Miss It!"**

Some teenagers seem to think that stores make a lot of money and won't miss a book, or a record, or a blouse or a belt.

But the fact is that stores are losing more from shoplifting each year. They are losing merchandise that belongs to the store. It has been bought and paid for by the store and taking it is stealing. If something that belongs to you were stolen, it would be a great loss . . . so it is with a store.

Stores Getting Tough

Because of this growing problem stores are getting tough with shoplifters and are taking measures to catch them in the act. Stores are no longer letting teenage shoplifters off with a lecture and a warning. They are turning them over to the authorities. Store managers are becoming convinced that the proper way to deal with young shoplifters and their parents is through the police and the courts.

**"But I'm A Juvenile:
Nothing Can Happen To
Me!"**

Don't you believe it! True, there are separate laws governing criminal acts by juveniles in most provinces, but an arrest is still an arrest, and a police record is still a police record. One shoplifting conviction can ruin your life. You are subject to the ordinary criminal law when you reach your sixteenth birthday. Many young people feel they can keep a juvenile record for a minor offence a secret. Don't you believe it! Sometimes juvenile or police authorities will answer an inquiry by reporting that a teenager has been declared a "delinquent". This description can include a serious crime. Although youngsters may go "free" after an apprehension, once arrested, the charge will follow them demanding explanation and causing embarrassment whenever it reappears.

**"But It Was Just
For Kicks"**

Those kicks can come back and haunt you forever. A minor record easily becomes a problem.

Most job applications ask "Were you ever arrested?" and most employers don't hire people with arrest or criminal records.

A job that requires bonding, even that of a stock boy, will probably be closed to the youth with a record. He may also be turned down for government, provincial, city or county jobs. With a police record it can be difficult, in some cases impossible, to go into any business or profession where a special licence is required, such as law, real estate or insurance.

A criminal record can keep you out of the college or professional school of your choice. A stolen carton of candy kept a boy out of Military College — and a girl was denied entry to law school because of a stolen swimsuit.

**Do You
Know?**

Shoplifting is stealing, and stealing is a criminal act. So called high spirited "fun" and youthful "pranks" can cause young people a lifetime of trouble. Too many teenagers today are unaware of the serious harm that a police record, even for what might seem a petty violation, can do to their lives and future.

Even if the punishment does not include a jail sentence, and the conviction is punished only by a fine and/or probation, the offender is photographed and finger printed, the police record remains, and it says, "Thief".

**Why Do
Teenagers Shoplift?**

Across the country young people, many from the middle and upper income families are pilfering merchandise. Why do teenagers commit a criminal act that will probably result in an arrest and jeopardize their futures? The common answers are: "I did it for kicks." "It was just a prank." "It was an impulse." "I did it on a dare." "It was part of an initiation." In other words they think it's more a sport than a crime . . . but the law makes no provision for a "sport". Shoplifting is stealing and stealing is a criminal act. The shoplifter is a thief not a prankster. Never break the law on a dare — it takes more courage to turn down a dare than to accept it, and your friends know this. In the long run they will respect you for sticking to your beliefs, don't fall for that "chicken" routine.

**"Why Didn't
Someone Tell Me"**

Many young people when arrested for shoplifting say, "Why didn't someone tell me that shoplifting was a crime?" Ignorance of the law is no excuse and no defence against prosecution and conviction. Shoplifting is stealing and stealing is a criminal act. Stealing a \$2 pen is the same as stealing \$2 from a cash register or from someone's pocket . . . it's a crime.

**TODAY'S CHILDREN
ARE TOMORROW'S CITIZENS**

Published in Their Interest by the
Madoc District Chamber of Commerce.

**"What Can The Law Do
About It?"**

You can be arrested if you steal any property from a store, no matter how little it costs. It is a crime if you steal even a lipstick or a candy bar. In Canada, maximum punishment for an offence of theft is as follows:

294 (a) of the Criminal Code
to imprisonment for ten years
where the value of what is stolen
exceeds fifty dollars or

(b) of the Criminal Code
to imprisonment for two years
where the value of what is stolen
does not exceed fifty dollars.

Shoplifting is stealing and stealing is a criminal act and is punishable as such.

**"Suppose I Do Get
Arrested?"**

There are young people who foolishly plead guilty because they hope to hide the arrest from their parents. No teenager should ever enter a guilty plea without the advice of his parents and a lawyer.

A veteran police officer described a recent two page arrest record which was headed, "SHOPLIFTING (JUVENILE)."

**"What Can Parents Do
About It?"**

1. Be aware that "shoplifting" can be just the beginning of bigger trouble for their children.
2. Make sure their children understand that shoplifting is stealing and stealing is a criminal act.
3. Be certain that their children know what a police record can do to their chance for jobs, colleges, and professions.
4. Know how much money their children have and how they spend it.
5. Know what their son or daughter brings into the house. If it isn't his or hers, check on where it came from. Don't accept a pat answer.
6. Know when, where, and why their child is going shopping.
7. Find out what their community is doing about the problem, and lend their help.
8. Teach their child that it is more "chicken" to go along with the crowd than to refuse to do so.
9. Be alert to a daughter who repeatedly goes shopping with an extra large handbag or shopping bag. These are common tools of a shoplifter.
10. Supervise any "clothes" swapping.
11. Set the right example.

MOSTLY ABOUT SOMETHING (but not necessarily)

(By BEV. BROWNING)

Well, a new title and a new picture but the same old writer. Since my column contained other things besides sports I decided it would be inappropriate to just call it Sports-Roundup and write about odds and ends not connected with the sports world. This column will primarily cover any local sports events between now and the end of June and it is hoped that softball teams will select a person to write-up their games because I will not have time this summer to cover softball games. Those teams that keep the public informed will probably increase fan support through their write-ups in the Madoc Review. So, teams, keep this in mind because Maurice Gaulah will only be too happy to publish your results.

During the last week in the local sport scene two of our district Bantam teams lost out in the finals. Belmont eliminated Madoc with a 9-2 victory last Saturday night to win the O.M.H.A. Bantam 'D' championship. Six Nations won their final game to eliminate Stirling three games to two in the Bantam 'D' O.M.H.A. finals.

Each year Madoc and Tweed Novice teams play a separate play-off series for the Tweed-Madoc Novice Plaque. This year the honours go to the Tweed Novice squad for their 3-1 and 4-1 victories last Thursday and Saturday. Jim Patrick, from Brian Willemssen, scored Thursday's goal while Wayne Willemssen from Donnie Moore tallied Saturday's lone goal. Saturday's game was a much tighter game with the score tied 1-1 going into the final stanza.

So the hockey locally is over for another year. Madoc and District Sports would like to thank all the fans who supported our hockey programme. A special thanks to those who took time from their busy schedule to drive to games. Some of you made several trips and this was greatly appreciated. In every situation you find those who do, some who "never" do, and those who do more than what is expected.

With the softball season soon approaching (if it ever warms up) I hope our minor teams receive more support this year. When a meeting is held in the near future won't you make an effort to attend. No matter how small your services may be it will be appreciated to make our minor softball programme a success.

Something I Can't Figure Out Department — "Why it is legal to sell shotguns but illegal to use them."

The Academy Awards have presented their awards for another year. I wonder what awards could be awarded locally.

The nominees for the most amusing incident during the past hockey season are: (1) The team that travelled to a village fifty miles away only to find out they played the next night. (2) The goaltender who substituted for the regular goaltender and who dressed up in the goalie equipment (pads and all) only to find out he forgot to put on his hockey pants.

The envelope please — The winner is . . .

With the golfing season just around the corner reminds me of the story of one of my wild friends and his pal, Harry. It seems that during play on the thirteen green, poor old Harry dropped dead from a heart attack. When my friend was asked if this was an inconvenience he answered, "It sure was. It was hit the ball — drag Harry. Hit the ball, drag Harry."

Most of you probably discovered last week that the Madoc Review was published late. Apparently part of the printing press broke down so I offered to go down and help. Well, it wasn't quite help, it was more or less moral support. I've never seen a man keep his cool like your local publisher. With the part repaired, the paper decided to break amongst other little irritating annoyances. Finally all the papers were published and happier moods prevailed. You would honestly think that printing press was a "female". A male couldn't be that ornery all at one time.

The Madoc Public School is having their year book published. We have sent in our order and we have ordered a few extras. The book will be out around the twenty-second of June. If you want to order one you can do so through a Grade Eight student or phone the school. We cannot guarantee you a book in June unless you order one.

Well as this column started, a new title, a new picture (you can't improve on perfection), but the same old odds and ends. On my desk at school reads a sign which says, "The secrecy of my job prevents me from knowing what I am doing." And so for this column, "The secrecy of my writing prevents me from knowing what I write."

As it says — "Mostly about something, but not necessarily."

BELMONT WINS BANTAM 'D' CROWN

The Belmont Bantams came out skating last Saturday night and skated away with a 9-2 victory and the Bantam 'D' championship. Randy Foster, Charlie Legg and Darrell Simpson sparked the Belmont attack while Dave Murray and Robert Vanderpauk provided solid defensive work in keeping the Madoc crew off the scoresheet.

Madoc's goals were provided by Danny Forestell and Roger Elliott. Madoc tried hard, but when you are three games down and at the brink of elimination you play a lot different than when you are three games up. Belmont was loose as the saving goes and had confidence going for them. You lost to a good team and nobody can con-

demn you for that. After the game the small crowd witnessed the presentation of the Ken G. Waters Trophy to Belmont while Peter White accepted the Harold Dunk Runners-up trophy for Madoc. Congratulations boys for a job well done. The future holds more series and more trophies and when those series are played and the trophies are presented you will be there.

OBITUARY

MRS. HERBERT B. HECTOR
Hamilton, Ontario

In failing health for the past few months, Mrs. Laura M. Hector of Hamilton, died at her home in Hamilton, on Saturday, April 8th, 1972. She was in her 72nd year.

Mrs. Hector was the daughter of the late Mr. and Mrs. Thomas Thompson and had been born in Madoc where she lived until moving to Picton at the time of her marriage. For the past forty years she has resided in Hamilton. Her summers for years have been spent at her cottage on Moira Lake.

Predeceased by her husband, she is survived by her daughter Joyce, and a sister Mrs. Clare Bentley of Belleville.

The funeral was held on Monday, April 10th, at the Swackhamer and Hills Funeral Home in Hamilton, where Rev. Dr. Rex Dolan conducted the service.

Entombment took place at the Madoc Township Vault with interment to be in the Lakeview Cemetery at a later date.

BOWLING RESULTS

The Team Standings of the Madoc Bowlers at Belmar as of March 30th, are: Twisters, 101; Tailenders, 99; Misfits, 99; Eagles, 97; Losers, 79; Hot Shots, 71.

High Triples — J. Rogers, 645; L. Coveney, 708.

High Singles — J. Rogers, 308; L. Coveney, 273.

Scores 200 and Over — L. Richardson, 238; B. Smith, 207; Mary Gaulah, 219; J. Rogers, 308; A. Lessard, 212; J. Armstrong, 215; B. Toms, 221, 256; J. Bossio, 211, 211; P. Foley, 212; H. McGowan, 250, 214; L. Coveney, 240, 273; G. Holmes, 241; D. DeClair, 200; J. Asselstine, 239; D. Foley, 208, 265; C. Farrow, 201; D. Devolin, 236, 215; V. Reid, 208, 229; D. Forestell, 204, 214, 201; B. Stevens, 217; D. Lowry, 230.

The final team standings as a result of Thursday, April 6th, are: 1st Twisters 108; 2nd Eagles, 102; 3rd, Tailenders, 101; 4th, Misfits, 99; 5th, Losers, 81; 6th, Hot Shots, 76.

High Triples — P. Foley, 673; D. Lowry, 733.

High Singles — D. Lowry, 299; B. Woodcock, 285.

Scores 200 and Over — G. Holmes, 200, 221; R. Holmes, 224; S. Asselstine, 218, 236; L. Foley, 225; C. Farrow, 214; B. Woodcock, 285; B. Smith, 259, 205; Mary Gaulah, 210; J. Foley, 235; P. Foley, 213, 220, 240; E. DeClair, 200, 247; H. McGowan, 254; H. Anderson, 227, 201; D. Forestell, 244; D. Lowry, 289, 233; J. Bossio, 224, 210.

BANNOCKBURN

Rev. and Mrs. McEwen, Mrs. Donly, Mr. and Mrs. Ray White and Brenda, Mrs. Crawford and Miss Karen Sundford attended the Kathryn Kuhlman meetings Good Friday and Easter at Pittsburgh and Youngstown. Also they attended Easter Evening Communion Service at the "Cathedral of Tomorrow", Akron, Ohio. All were unanimous in their reports.

Miss Ida McEwen Perth spent a few days at the Paragon. Mrs. Harry Casselman spent Saturday with her mother, Mrs. M. Simpson.

The Tabernacle W.M.C. held the March meeting on Wednesday night at the home of Mrs. W. Crawford.

Mr. and Mrs. Harold Palmatier were guests of Mr. and Mrs. Harris one evening last week.

Mrs. Eda Davidson and Mr. Jack Wilson visited their sister, Mrs. C. Davidson at Coe Hill one day last week.

Many friends and relatives visited Mrs. Hattie Williamson during the Easter holiday week-end.

"FOOD FORUM" TO BE HELD IN STIRLING

(By Mrs. F. E. Stridher, Home Economist, Hastings County.)

The Home Economics Branch of the Ontario Department of Agriculture and Food is sponsoring a Food Forum entitled "A Dollar's Worth of Meat" to be held at the Stirling Community Centre on Tuesday, April 25th at 8:00 p.m.

During the forum dishes of meat costing less than a dollar will be prepared and suggested menus will be given. You will also be given information concerning selection and preparation of inexpensive cuts of meat and a book of recipes.

In these days of rising food costs I am sure that you will find this presentation both interesting and informative.

The evening is open to the public no please come and bring a friend.

DAIRY POLICY — 1972-73

As a matter of interest the following is the entire news release put out by the Canadian Department of Agriculture.

OTTAWA, March 29, 1972 — The Canadian Dairy Commission has been authorized to implement a program for the coming year that will permit a substantial increase in the base support level for manufacturing milk. Agriculture Minister H. A. (Bud) Olson announced today.

While prices paid to producers for milk are a matter of provincial jurisdiction, the program will provide for an increase in the support price of the order of approximately 20 cents or more per 100 pounds of milk. The increase becomes effective April 1st.

The Canadian Dairy Commission has been authorized to pay subsidy on manufacturing milk and cream, under its quota system, at the same rate as in the year just ending that is \$1.25 per 100 pounds of milk testing 3.5 per cent butterfat, or \$5.71 cents per pound butterfat.

The price at which the Commission offers to purchase skim milk powder in support of the market price will be 29 cents per pound. The present level is 26 cents.

There will be no change for the present in the Commission's purchase price of butter, which is 68 cents per pound or of

cheddar cheese, which is 54 cents. The market price of cheddar cheese has been well above that support level since last July.

Emphasis in the program on skim milk powder will provide a better balance between butter and cheese production and should avoid the possibility of the over-production of cheese.

There is a holdback from payments to producers to finance the cost of disposing of surplus dairy products mainly skim milk powder, exported at prices below Canadian support levels.

While the Canadian support price for powder is being raised by three cents per pound, the holdback on each milk shipper's deliveries within his quota will be retained at the 1971 level of 10 cents per hundred pounds of milk. This is possible because of the greatly improved export price.

There will be no holdback on cream deliveries within quotas.

While the threshold at which over quota holdbacks apply will revert to the quota level, production patterns will be closely watched and should production so warrant exemption levels can be reinstated retroactively.

The program for the coming year, plus the steps taken in the year just ending, and the quota arrangements, provide a price to producers which should ensure adequate supplies without risk of serious butterfat surpluses.

The Commission's support prices for skim milk powder and cheddar cheese were increased in February, 1971. There was a further upward adjustment in those prices last

August, as well as in the butter turn. The arrangements for the price. As a result, a downward coming year should consolidate trend in production was arrested that trend and ensure adequate in the last quarter of 1971 supplies for Canadian consumption and production is now on an up-ers.

ELDORADO U.C.W.

The last meeting of the Eldorado U.C.W. was held April 6th at the home of Mrs. Melvin Johnson.

The President, Mrs. Floyd Blackburn opened with the Call to Worship - Colossians 3 verses 1, 2 and 3.

The minutes of the last meeting were read and approved.

The Roll Call "a Bible verse on Easter" was then answered.

It was decided to hold a Rummage Sale on April 21st in Madoc.

Mrs. Floyd Blackburn gave the worship service pertaining to Easter.

Mrs. Leonard Blackburn read the scripture Luke 24 verses 1 to 12.

Hymn 380 was sung.

Mrs. Blackburn then closed the service with Prayer.

Mrs. Harley Blackburn began the programme with a poem.

"Just for Today" followed by a reading: "Where is Heaven At?"

Mrs. Floyd Blackburn, Mrs. Melvin Johnson joined Mrs. Harley Blackburn in a 3 part passage on "Easter: Is the Resurrection True?" Hymn 104 was sung.

The Programme closed with prayer.

The collection was taken and dedicated.

The meeting closed with benediction.

Lunch was served by the hostess and her assistants and a social half hour was enjoyed.

REPORT

During the week of March

31st to April 7th, 1972 officers

of Madoc Detachment, Ontario

Provincial Police investigated

10 motor vehicle accidents; nine

of property damage and one of

personal injury with one person

taken to the hospital.

There were 38 charges laid

under the Highway Traffic Act.

There was one request for

assistance with four reports of

thefts and four reports of

breaking and entering. There

was one disturbance and 27

other general occurrences.

In "Criminal Court, Judge

R. C. Jackson registered 18

convictions.

Parents! Planning to buy a

bicycle for your child this

spring? Statistics show that 40

per cent of bicyclists under 14

years of age involved in serious

accidents were riding bikes too

big for them. For safe cycling,

the bike must fit the child. Never

buy a bike that your child can

grow into. The size of bike and

seat height affect steering,

pedalling and braking control.

Here's a useful guide when

choosing a bicycle to fit your

MADOC REVIEW

VALUATION DAY AND FARM BUSINESSMEN

(By T. W. Martin, Assistant Agricultural Representative, Hastings County.)

In the last three issues of the *Hasti-Agi-Gram*, comments have been made on some of the aspects of how Valuation Day will affect the farm business. Reports continue to come into our office from farm people who have been approached by individuals who offer to value their real estate and/or machinery and livestock for a fee.

We can only state what was said before. DO NOT PANIC and be rushed into paying someone to value your assets. Before engaging anyone, (1) Know why you are valuing them, and (2) Assure yourself that the individual(s) are competent and qualified. The February and March *Hasti-Agi-Grams* contained some suggestions on how you, the individual, could set up records to support your value of your farm property. In many cases, your own valuation, supported by detailed records can be more accurate and better documented than that of someone who comes knocking at your door.

Whether you pay \$10 or \$75-\$100, it will be worth only the amount of time and effort plus the qualifications of the person doing it. From my personal opinion, no one can provide the accurate information required for \$10. Similarly, the size of the fee (whether \$100, \$200, or whatever) does not guarantee anything better unless the person is qualified and documents his report with sufficient, detailed information.

If you require someone to value your assets, you be responsible for obtaining a qualified person. Don't be sold a doubtful service at the door.

Valuation and Farm Businessman - Part 3
Building and Machinery Valuation

The Buildings detail could be included with your farm real estate valuation. In any case, the information and detail is the same. Following is a list of some of the items to be considered for each individual building:

- 1) Year purchased, or constructed and cost at time of purchase or construction.
 - 2) Construction material.
 - 3) Major repairs and improvements including year, cost, materials and details of the work carried out.
 - 4) Present pictures.
 - 5) Insurance values, if updated recently.
 - 6) Value for Valuation Day.
- A fire that destroyed a building might result in a capital gains tax. When a building is destroyed by fire and insurance is received, then in effect, this is a "sale" of that building. In most cases, the insurance on a building is fairly substantial, and your valuation day value should reflect a fair market value. However, where a farmer receives proceeds from a property destroyed by fire, or expropriated, he is entitled to what they call a roll-over provision. Under this provision you are entitled to replace the property by the end of the following year. If this replacement is carried out, you can reduce or eliminate capital gains.

The machinery values can play a more immediate role than we will perhaps see with real estate or buildings. For the purpose of capital gains tax, the machinery values can be most important in the near future as machinery is continu-

ally being traded in, and new items purchased.

1. List each item separately, make, model, year of purchase, original cost.
2. Present value.
3. A copy of your 1971 Capital Cost Allowance schedule could be attached. However, note that the undepreciated Capital Cost Allowance values represent fair market value, and therefore

Individually, we'll give you great service.
Together, we'll give you great prices.

Decisions, decisions.
Usually, if you want to pay less for your drug items, you go to a big chain. And forget about friendly, personal service.
And if you want great service, you go to a store that's owned by the man who runs it. But you may pay more.
And that's why Guardian Drug stores are so special. Each Guardian store is owned by the pharmacist who runs it.
So he's right there to fuss about friendliness, service, fresh goods and good selection.
But together, over 100 Guardian Drug stores enjoy big volume discounts on drug store products.

Just like any other big chain does.
So at Guardian, you'll find every day prices that are a few cents lower (or a few cents higher) than the lowest "discount" store in town.
And the biggest smiles, too.
There are over 100 Guardian Pharmacists with fresh goods, good selection, low prices, bright stores and big hearts.

THE FOREST FIRES PREVENTION

ACT - 1968

The 1972 Fire Season in Tweed District began on April 1st and will continue to October 31st.

During the Fire Season a Fire Permit is required before setting out fire to dispose of grass, brush or other debris. A Fire Permit is also required to ignite fireworks within 1000 feet of a forest or woodland. A Work Permit is required to conduct an operation which is liable to create a fire hazard in the woods.

Under the new Forest Fires Prevention Act, 1968, it is unlawful to smoke while walking or working in a forest or woodland.

GET YOUR SNOWMOBILE READY FOR SUMMER STORAGE

Spring it on its way and as the snows rapidly disappear, it's time to get your snowmobile ready for summer storage. The job won't take too long, and it will help you get your machine out on the trails a lot faster next winter.

The following are suggested tips for putting your snowmobile away for the summer:

First, check your owner's manual for specific recommendations, and, under no circumstances, should you work on a machine while the engine is running. Make all adjustments with the engine shut down. Then clean all dirt, grease and oil from your machine. Use a bucket of warm water and sponge to wash down the snowmobile. A mild detergent will help cut the grease. After the machine dries, sand down

any rough scratches and touch them up with paint.

Next, raise and securely block the rear of the machine off the ground. Run the engine at a slow speed to see if the drive track is properly aligned. This should be done either outside or in a well ventilated area. If the track is not aligned correctly, adjust the position of the bogey wheels on the rear idler shaft according to the manufacturer's recommendations.

Make sure all bogey and idler wheels are free-turning, clean and properly lubricated. Bent bogey wheels and idler shafts will cause uneven wear and h-p loss next season.

Now, securely block the front of the machine, to take the weight off the skis, and drain the fuel system. Fuel left in the

system, during the off-season, will evaporate allowing oil to collect and seal in the carburetor. Disconnect the fuel lines and run the engine until it stops. Then remove any remaining fuel from the tank with a siphon hose. Leave the gas cap unscrewed but on the tank to protect it from foreign matter.

Remove all oil from the engine and tighten cylinder head bolts if necessary. Remove spark plugs, place a few drops of motor oil in the cylinders and manually turn the engine one or two revolutions to keep cylinders clean. Then replace the spark plugs.

Wipe off the battery to remove grease and any acid that may have collected. Fill the cells and check the battery a few times during the summer to be sure it's fully charged.

Inspect the belts that connect the battery terminal so there is no chance of a short circuit.

Next, inspect the drive system for worn or defective parts. Check sprocket fasteners for tightness and the sprockets and the drive chain for wear. Inspect seals for leaks and replace worn parts. Then, loosen the tension on the drive track and drive chain.

Use warm water to clean the drive track. Never use gas or oil on the rubber. Check for missing cleats and inserts and apply motor oil to the tops and bottoms of the skis.

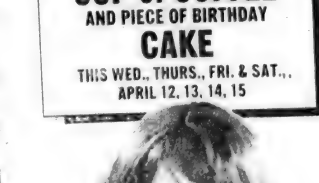

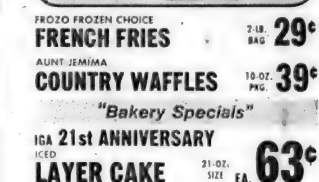

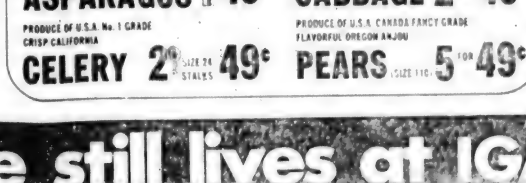

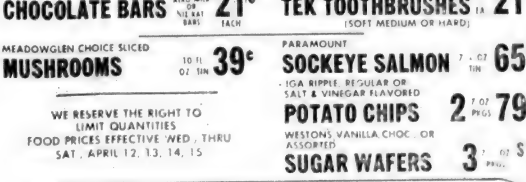

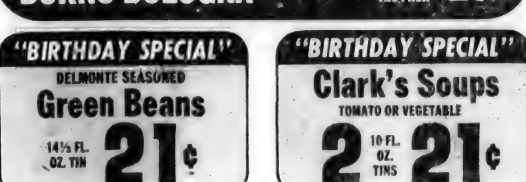

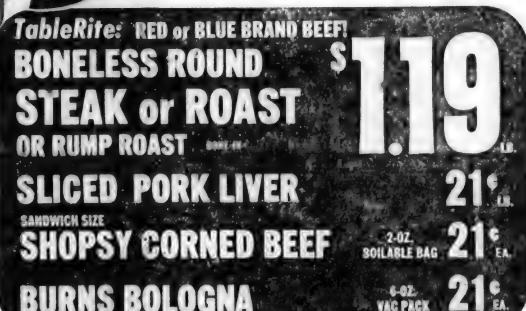

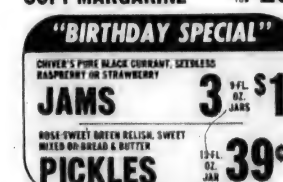

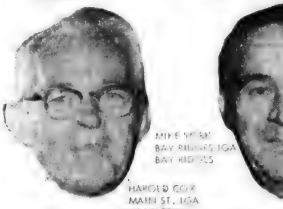

Finally, tighten all loose nuts and bolts, and lubricate according to your operator's manual. Place a protective cover over your machine and store it in a sheltered area.

WHO NEEDS IT?**

(By BILL SMILEY)

There is a growing philosophy among young people that goes something like this: "Work? Who needs it?"

The theory has a number of foster parents. One of them is the widespread ease with which one can get on the welfare rolls these days. Why work when one can draw enough welfare for a pad, however humble, grub and smokes?

Then there is unemployment insurance. This is even better than welfare to fall back on, though it does require the occasional stint of that four-letter word we're talking about. Work for a few months, get yourself fired on some pretext, loll back on the mattress of unemployment until it runs out, work again for a little while, and repeat the process. This is a way of life for some young people, and they make no bones about it.

It doesn't occur to them that it's merely a refined form of stealing, and in most cases, I don't think they'd care if it did.

As an aside, I think you'd be appalled by their attitude toward stealing. I conduct regular surveys in my classes on such subjects — what used to be known as simple honesty. In most cases, the majority believe firmly that it's bad to steal from a friend, but it's perfectly all right to steal or "rip-off" from any large institutions: chain stores, insurance companies, the government.

I wonder where they got that idea? It couldn't possibly be from hearing their dads talking about beating the tax collector, or their moms exaggerating an insurance claim. Could it?

Back to the subject. What else influences this comparatively new non-attitude toward work? One is purely economic. They are completely frustrated by the free enterprise system under which they have been raised. It still offers great opportunities for the few who have enterprise and luck.

Well, how many of us have both? You can have all the enterprise that's lying around, but if you haven't luck, you're a perpetual bankrupt. You can be a real lunker, but if you don't have any enterprise, all you do is win a few bucks at bingo or on the horses.

Their real beef against the system, of course, is that it does not work. It does not create enough jobs. Therefore, why get an education, why even bother looking for work, if there isn't any?

Another influence, or lack of it, is that of the church. It used to have two firm allies in the establishment and the work ethic. The church hasn't been able to cope. It is tarnished by its association with the other two, and the young people have turned their back on it, though I don't think they have lost the faith. They've merely lost respect for that massive body of rules and dogma and "an honest day's work for an honest day's pay," and the insistence that while life is pretty rotten, everything will be groovy in heaven. They are young, impatient, and simply will not buy that.

As you may have expected, or hoped, or given up on, I am trying to make a point. I'm not against the attitude. If I didn't like work, I'd quit tomorrow. But there is nothing ennobling in work itself. It's an utter drag, unless you like what you are doing.

The other morning, I was driving one of my students to school. He's a big, husky lad who has shovelled out my drive at times of stress. Asked him what he was going to do when he finished school.

"Well, I'm going to work for a year, then maybe go to college."

Asked him whether he couldn't get a student loan. "I don't want one. I don't wanna owe anybody anything."

He continued, "My parents would give me the money to go to university, but I won't take it. They've worked hard all their lives for it. Why not let them enjoy what's left?"

At this point, I ran off the road, and killed two girls from middle-class parents, who were confident that, despite the fact that they have no brains, their parents would send them to college and that they would there find a husband, and one boy who had told me he was going to extort every penny he could from the government in loans and grants, and never pay them back.

OBITUARIES**MRS. KENNETH GREATREX**

A native of the Brompton district but living in Kirkland Lake for the past 20 years, Mrs. Anna Mary Greatrex died suddenly on Monday, April 10th, 1972 at the Kirkland Lake General Hospital. She was in her 62nd year.

Mrs. Greatrex was the daughter of Mrs. Margaret Pollard and the late Herbert L. Eggleston and was the step-daughter of F. S. Pollard. She was a member of the Presbyterian Church. Before moving to Kirkland Lake she had lived at Timmins and at Unionville, Ont.

Aside from her mother and husband, she is survived by one son Terry of Bolton, three grandchildren, Laura-Ann, Marj and Kenneth Greatrex and a sister Mrs. C. J. (Marguerite) Freeman of Niagara Falls, Ont. One sister Mrs. A. C. (Jean) Annandale predeceased her.

The funeral was held on Thursday afternoon, April 13th with service conducted in the MacKenzie Funeral Home at Madoc by Rev. E. R. Hawkes. Entombment took place in Madoc Township Vault.

Interment will take place in Eldorado Cemetery at a later date.

Bearers were: Robert Heron, Bud Greatrex, Thomas Webber, Patrick Mone, Charles Mahoney and William Rutherford.

ALBERT MANLEY BIRD

In failing health for the past two years, Albert Manley Bird, R.R. 3, Madoc, died Tuesday, April 11, 1972 at Hastings Manor. He was in his 86th year.

Born in Madoc Township, he was the son of Mr. and Mrs. Daniel Bird and had lived in the area until becoming a resident at Hastings Manor seven months ago. He was an adherent of the United Church.

Predeceased by his wife, the former Evelyn May Phillips, he is survived by a daughter, Mrs. Donald (Mavis) Blackburn of R.R. 5, Madoc, and a foster daughter Mrs. G. (Hazel) Horn of Cannifton, and nine grandchildren.

Also surviving is a sister, Mrs. J. (Ottie) Hayton of Belleville. Three brothers and four sisters predeceased him.

The funeral was held on Thursday afternoon, April 13th with service conducted in the MacKenzie Funeral Home, Madoc by Rev. D. W. Heard.

Entombment took place in Madoc Township Vault with interment in Cooper Cemetery at a later date.

Bearers were: Herb Brady, Ross Rollins, Rex Rollins, John Dudgeon, Maurice Reynolds and Lynn Holmes.

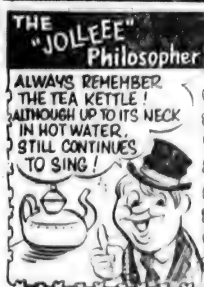

EVERETT SIMPSON

Resident of the Madoc area for the past 12 years, Everett Simpson passed away at the Kingston General Hospital, on Saturday, April 15, 1972. He was in his 62nd year and had been in failing health for the past several years.

Son of the late Mr. and Mrs. Bert Simpson, he was born in Elwick, Ontario and was a member of the Presbyterian Church. Previous to moving to Madoc he had resided in Campbellford. He is survived by his wife and four brothers, William of Pembroke, Clarence of Ottawa, Carl of Marmora and Earl of Campbellford.

The funeral was held on Monday afternoon, April 17th with service conducted in the MacKenzie Funeral Home, Madoc by Rev. J. H. Thompson.

Interment, Lakeview Cemetery.

**MILLER'S BP**
SERVICE STATION
and RESTAURANT
HIGHWAY No. 52
MADOC, ONT.
PHONE 473-4230**MISSIONARY MEETING HELD**

The April Missionary meeting of the Madoc Standard Church was held on April 12th, 1972 with the president Mrs. R. Johnston in charge.

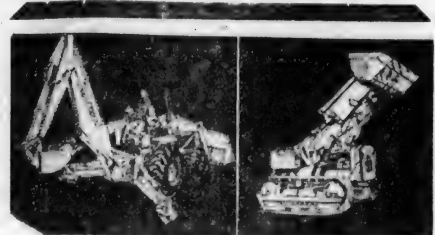

The hymns, "We Have Heard The Joyful Sound", "Jesus Saves" and "The Morning Light Is Breaking" were sung, followed by prayer with Mrs. Robbins, Mr. Marr and Mr. Lough praying.

A reading was given, entitled "Destination U.A.R.E." (United Arab Republic Egypt), when was written by Rev. P. A. Conley on one of his missionary flights to Egypt, accompanied by Rev. Pring, telling of their stay and work there. This was very interesting. After the singing of the hymn, "Sound The Battle Cry" the scripture lesson was read, taken from Matt. 28. In verse 19 Jesus said, "Go ye therefore and teach all nations." Jesus commands us to be a witness to the world and He has promised to be with us always. Four short readings on witnessing were given by Mrs. M. Post, Mrs. P. Bronson, Mrs. B. Lough and Miss Priscilla Marr with the singing of the suitable hymn, "Fishers of Men" summing up these thoughts: A missionary talk, "They Said She Was Too Old" by Mrs. Johnston, told of a lady doctor who had wanted so much to be a missionary doctor in Africa, but the sickness of her mother made it impossible for her to go. Just as she was about prepared to go, her mother had become an invalid, so she had to remain at home and be responsible for her. She was 52 years old when her mother

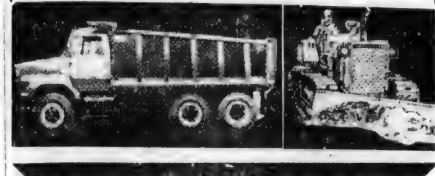

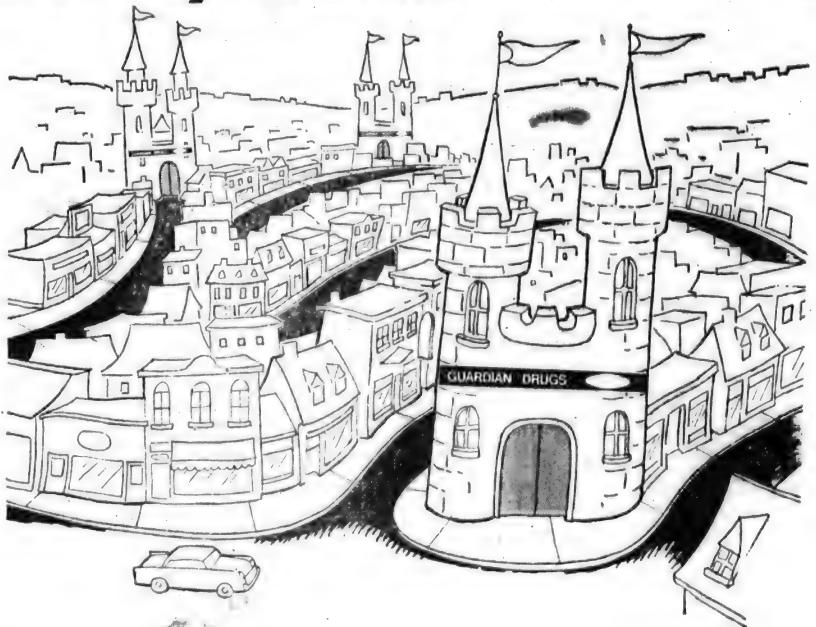

passed away and she at once applied to the mission board for an assignment to go as a missionary doctor. However, on account of her age and for the sake of her health, the mission board was not in favour of sending her out, thinking they would have to bring her back in a few months at a great expense to their treasury. She informed them that she would go without money, assume all risk to her health and pay for own expenses. The mission board finally decided to let her go. As a missionary doctor her work won fame for many miles around and many souls were won to Christ through her work, and after all she was 52 years of age.

There was a short business period.

The hymn "Send The Light" was sung after which Rev. Conley closed the service in prayer.

MARMORA, ONT.

LOOKING BACK ...

50 YEARS AGO

April 27, 1922

Mr. Davidson, Dominion game warden, paid Todd a visit and was very successful. He captured a number of traps and persons, trapping without license. Also a quantity of fur from a Jewish fur buyer at the C.P.R. station with furs that were trapped out of season.

A Fast Talker - Agnes MacPhail, Canada's first woman M.P., won't be lonesome down at Ottawa. It will be interesting to see if the Hansard reporters will be able to keep up with her rate of speech. They say she is worse than K. B. Bennett, and that's going some.

Toronto - Angry because her parents were determined that she should return to school, Kathleen Wilson, 14-year-old, leaped from the Dundas Street bridge into the Don River about 11:30 Saturday night. The girl is none the worse for her experience, having been able to walk out of the water, which is not so deep at the spot where she jumped. In Sgt. Peacecock on his way to the police station on a street car when on arriving at the bridge, he heard a scream. With several other passengers he leaped from the car and on learning from some pedestrians that a woman had jumped into the water, he seized a life belt close by, and threw it over the

bridge. But on going down to the river he saw that the belt was not needed for the girl had already started to walk out of the comparatively shallow water. When asked why she had jumped into the river, the girl stated that her parents wanted her to return to school and she hated school.

On Wednesday, March 29, about 80 of the friends and neighbours of Mr. and Mrs. Russell Embury met at the home of Mr. Robt. Bird, to spend a social evening with them before their departure for the Champion Cheese Factory. The evening was spent in music, games and dancing. During

An enjoyable evening was spent by those who attended the Women's Institute dance and card party held in the Legion Hall last night. Prizes were as follows: Bridge, Mrs. Will Stewart and Mr. Jim Burns; consolation prize, Mrs. P. H. Nayler and Mrs. Jas. Pitts. Euchre, Mrs. W. Foley and Mrs. Russell Lewis; consolation, Mrs. Jos. Belcher and Mr. Barton. Lucky prize, Miss Dawn Johnston. Following cards, refreshments were served and dancing enjoyed with music being supplied by Stanley Hawthorne.

Geo. West, Warden was one of the speakers at the monthly dinner meeting of the recently formed Marmora Chamber of Commerce on Thursday evening last. Mr. West congratulated Marmora on having so active an organization and expressed the thought that other villages might do well to emulate Marmora in that respect.

pneumonia. She was a devoted wife and mother and a member and active worker in the Methodist Church and Sunday School at Victoria appointment.

24 YEARS AGO

April 15, 1948

Ted Hedore, farmer of Marmora Township, lost all of seven lambs born this year on Friday. Dogs had been worrying his sheep at night of late but inspection each morning revealed no casualties. On Friday six lambs were found killed by dogs and the seventh was missing. The sheep had been scattered also by the dogs and were recovered in the evening.

An enjoyable evening was spent by those who attended the Women's Institute dance and card party held in the Legion Hall last night. Prizes were as follows: Bridge, Mrs. Will Stewart and Mr. Jim Burns; consolation prize, Mrs. P. H. Nayler and Mrs. Jas. Pitts. Euchre, Mrs. W. Foley and Mrs. Russell Lewis; consolation, Mrs. Jos. Belcher and Mr. Barton. Lucky prize, Miss Dawn Johnston. Following cards, refreshments were served and dancing enjoyed with music being supplied by Stanley Hawthorne.

At Mrs. Keller's Nursing Home, Madoc, on Monday, April 12th, 1948, to Mr. and Mrs. Leo Hachey, a daughter.

In Madoc Township, on Wednesday, April 14th, 1948, to Mr. and Mrs. Lorne Donly, a daughter, Georgina Lamoyne.

15 YEARS AGO

April 18, 1957

Robert McCoy, well known Madoc merchant, is retiring from business and his son, Allan, has taken over the grocery business which Mr. McCoy purchased from Caverly and Dougan in 1924. Bob, as he is known to his many friends in Madoc and district, was born in Madoc township, where he farmed before moving to Madoc. For three years he was in partnership with Mr. Ben Miller and operated the Whytock Grist Mill. The mill was sold back to Mr. James Whytock and Mr. McCoy purchased the grocery business. During the time spent in Madoc he has been interested in village affairs, serving on the public school board for twelve years, several years as chairman. He is also interested in sports and was an active member of the rink committee. The review joins with the community in extending Mr. and Mrs. McCoy best wishes for many years of health and happiness.

Madoc Village has completed its Red Cross Campaign for funds and the committee under the chairmanship of Mrs. R. C. Jackson, presented to the generous response it received. Donations amounted to 25 per cent more than last year's campaign.

Mr. and Mrs. Albert Nickle announced the engagement of their daughter, Edith Catherine to Mr. Lorne H. Hains, son of Mr. and Mrs. Arthur H. Hains of Toronto. The marriage is to take place in Katherine United Church, Madoc, Friday, May 18.

Mr. and Mrs. William J. Davidson, Madoc, Ontario, announce the engagement of their daughter, Margaret, to Mr. Harold John, son of Mr. and Mrs. J. M. Davidson, Bonarville, Ontario. Wedding to take place May 19th at 12 o'clock at Trinity United Church, Madoc, Ontario.

Mr. and Mrs. Albert Nickle announced the engagement of their daughter, Edith Catherine to Mr. Lorne H. Hains, son of Mr. and Mrs. Arthur H. Hains of Toronto. The marriage is to take place in Katherine United Church, Madoc, Friday, May 18.

Mr. and Mrs. William J. Davidson, Madoc, Ontario, announce the engagement of their daughter, Margaret, to Mr. Harold John, son of Mr. and Mrs. J. M. Davidson, Bonarville, Ontario. Wedding to take place May 19th at 12 o'clock at Trinity United Church, Madoc, Ontario.

4-H Horticulture Club

The first meeting of the horticulture club was held at the Stirling Senior School at 8:00 p.m.

Mr. Pender started with the election of the officers which were as follows: President, Elaine Wannamaker; Vice President, Diane Jarrell; Secretary, Karen Dostaler; Press Reporter, Sandra Stein; and 4-H Leader, Mrs. Floyd Armstrong. Some of the members are from Madoc, Tweed, Stirling and Belleville.

Mrs. Armstrong then asked for some ideas on what we might be interested in. They are as follows: Field Trips (such as a green house or an orchard); Flower Arrangements; Where to Plant Flowers and Vegetables; Insects and Weeds; Transplanting; Graphing Trees; Planting Seeds in the House. These are just some of the ideas given.

The next meeting will be held on Tuesday, May 2, 1972 at Mrs. Armstrong's at 7:30.

The President, Elaine Wannamaker, closed the meeting with the 4-H pledge.

MOSTLY ABOUT SOMETHING

(but not necessarily)

(By BEV. BROWNING)

Two weeks ago I made quarter-final predictions for the Stanley Cup play-offs. I'm batting a thousand in predicting the teams usually not hard to do in quarter-finals but only batting .250 in calling the number of games (can't win them all). So here goes for the semi-finals — Chicago over New York (seven games); Boston over St. Louis (four games).

I'm a Chicago fan but if New York eliminates them I won't feel too badly. New York hasn't won the Stanley Cup since the early forties (I may stand corrected on that).

The baseball season finally opened last weekend. I wonder if they realize I hold the record for the longest home run. Probably not.

To clarify the record we must return to the 1945 season. The site was Windsor, Ontario in a vacant lot about two long blocks from where I lived. In this vacant lot, two baseball teams made up of boys eight to twelve years old met for a "friendly" game of hardball. Would you believe I was the "most feared" batter that ever walked up to the plate. I was "notorious". Maybe at this point I better explain this fear and why I was so notorious. You see I always threw my bat when I hit the ball.

Well the catcher, who was French-Canadian, a little older and bigger than I, met me at the plate and made it quite clear that if I threw my bat he was going to pound me three feet in to the ground with the same bat. After these friendly remarks I took my position in the batter's box and with terror in my heart I awaited the first pitch. Just where I wanted it. I swung and connected. There were, however, two smacks with the second of each other. I stared at the ball flying over second base, then quickly I glanced back to see one catcher holding a bloody nose caused by my know what.

I was faced with a problem that only took seconds to solve. Soon to the amazement of both teams there I was making a wild dash down the sidewalk towards the refuge of home. Close at my heels was a catcher with a bloody nose, swinging a baseball bat and using very strong French language which I wasn't about to take time to interpret. Fortunately, my little legs won the race by at least two or three steps. Once inside the house I locked all the doors and in no way was I going to go outside for a French lesson or a bat swinging duel.

Well that home run must have been at least 1,000 feet, give or take a foot. I'm sure it is a record, but I don't think it's a record anyone will want to break. Now that I think of it, I bet I broke the running record for a thousand feet by a nine year old. Oh, well some records are best forgotten.

"Fiction or Fact: I read recently a story which comes from Czechoslovakia. Apparently a wife very depressed over her husband leaving her for another woman decided to end it all. She jumped out of a three storey window only to land on her husband. The husband was killed by this action and the wife is in good condition in a Czechoslovakian hospital.

I wonder if this is what one could call a "cancelled Czech" (my apologies, I couldn't resist that one).

I heard recently over C.B.Q. a Tweed resident telling about their Spring Clean-up Programme. This same resident claims that Tweed is one of the most beautiful little villages in Canada. Madoc residents are we going to let them make this claim unchallenged. How about "Action Clean-up".

The water in the creek is very high and rapid. It may be wise to make sure small children stay away from these waters until the spring run-off has subsided. What might be fascinating, might prove to be disastrous.

I know a man who lives on one block in this village who is selected to make all the decisions for the people who live on that block. He heads all committees and is a very wise leader. He is affectionately known by everyone on the block as old "block-head".

Congratulations to Mark Szumigaj and Ed Mah for winning third prize in their division at the Belleville Rotary Science Fair. I teach science to both boys but unfortunately I can't take much credit for their win. They worked long hours preparing their project. I feel that these two boys will be entering this Fair again and with their interest and ambition maybe higher awards will be forthcoming.

As it says, "Mostly about something, but not necessarily."

CANUCKS END SEASON WITH BANQUET

The Intermediate Canucks wound up the season with their annual banquet at the Madoc Hotel on Friday evening, April 7th.

Following a delicious roast turkey dinner, Coach Doug Phillips called the gathering to order and proceeded with the following presentations. First on the agenda, Terry Chapman was the recipient of the Formosa Spring Breweries trophy for the "top scorer", which was presented by Frank Bossio.

Best Defenceman was Doug Potts, who was unable to be present. The trophy for this award was donated by team manager, Gordon Chapman.

The "Lady Bing" Trophy, donated by Ed Kramp, was won by Ralph Francis, the most gentlemanly player. Doug Phillips made the presentation.

The Most Valuable Player trophy, donated by Frank Bossio, was presented by Gordon Chapman to Blayne Reynolds.

Doug Phillips then presented the Review reporter, Carol Foley, and her fiancé, David Paranki, with a lovely silver tray, engraved "Congratulations from Madoc Canucks" as a token of appreciation to Carol for writing up their games all season and also as a gift for their upcoming marriage.

Thanks and appreciation was expressed by the recipients following each presentation.

Doug Phillips then expressed a vote of thanks to Frank Bossio, who sponsored the team both financially and morally throughout the winter, and to Treasurer Buck Carswell, for all his work and assistance.

Gordon Chapman said a few words, reporting a satisfactory financial situation and encouraging everyone to come back next fall to start up another, and possibly even more successful season.

On behalf of the players, Vic Conte expressed thanks and appreciation to Doug Phillips.

BANNOCKBURN

Mr. and Mrs. Harris and Mrs. Donly attended the funeral of the late Mrs. Kenneth Greatrex at Madoc on Thursday afternoon.

Mr. and Mrs. Donald Simpson and family spent the weekend with friends at Westport.

Mrs. Simpson and Sandford were guests of Mrs. H. Williamson one afternoon last week.

Mr. and Mrs. Terry Greatrex and family, Bolton were guests of Mr. and Mrs. Harris during the week.

Philip Wannamaker and Kenneth Donly, Toronto called on Mrs. M. Simpson Sunday afternoon.

Mrs. Lola Donly, Catharine and Colleen spent Sunday with Mrs. Donly.

The weekly Bible Study was held on Wednesday night at the home of Mrs. Ted Evans.

During the week of April 7th 1972 to April 14th, 1972 officers of Madoc Detachment and the Provincial Police investigated six motor vehicle accidents, three of property damage and three of personal injury, with three persons taken to the hospital.

There were 21 charges and under the Highway Traffic Act.

There was one request for a license with only one request for a license and one request for a license.

The Provincial Police, I believe, are the only police force in the world that can do this.

RETIRED FARMER DIES WHILE BURNING BRUSH

A heart attack is believed to have been the cause of death Friday afternoon, April 21, 1972, for a 63-year-old Madoc township retired farmer who fell into the fire when burning brush.

Provincial Police at Madoc said that Norman Griffin set out in the early afternoon to burn brush.

About mid-afternoon a neighbour noticed that the brush fire seemed to be getting out of control and upon investigating found the man's body in the brush fire with his clothes partially burned off.

Mr. Griffin had a history of heart ailment and it is believed he suffered a heart attack and was unable to help himself when he fell. An autopsy was later conducted at Belleville General Hospital.

A native of the Marmora area, Mr. Griffin was the son of the late Mr. and Mrs. Richard H. Griffin and had lived in the Madoc area for most of his life. He had been in failing health for several years.

He was a member of St. John the Baptist Anglican Church at Madoc and Madoc L.O.L. No. 160.

He is survived by his wife, the former Vera Caterer, four

daughters, Mrs. K. (Joan) Card of Bancroft, Mrs. J. (Susan) Muchalla, Whitney; Mrs. T. (Bonnie) Langford, Peterborough and Miss Jean Griffin, at home and three sons, Norman and Edward of Kingston and Robert of Belleville. There are seven grandchildren.

There are five brothers, James of Madoc, Ted and Harold of Belleville, George of Tweed and Fred of Bowmanville, and four sisters, Mrs. E. (Bertha) Ray of Belleville, Mrs. J. (Mildred) Rankin of England, Mrs. H. (Edna) Oudolph of New Jersey and Mrs. V. (Irida) Hearn of Stirling. Two brothers predeceased him.

The funeral was held on Monday afternoon, April 24th, with service conducted in the MacKenzie Funeral Home, Madoc by Rev. J. H. Thompson.

An L.O.L. Memorial service was conducted in the Funeral Home on Saturday evening and was under the direction of Madoc Lodge No. 160.

Interment took place in Lakeview Cemetery.

Bearers were: Mac Davies, Chris Adams, Wilfred Cassibo, Clayton Whiteman, Clare Luff, man and Norman Cassibo.

MR. & MRS. DAVID G. PARANUIK

REVIEW EDITOR WEDS

PARANUIK - FOLEY

Sacred Heart Church, Madoc, was the scene of a pretty wedding on Saturday, April 15th when Carol Elizabeth, daughter of Mr. and Mrs. Joseph Foley, R.R. 1, Madoc, was united in marriage to David George Paraniuk, son of Mr. and Mrs. George Paraniuk of Madoc.

Reverend Father Scanlon officiated at the ceremony at 3:00 p.m. Baskets of pink gladioli, white and pink-tinted mums, blue iris and white static adorned the altar and large white bows centred with pink rose buds designated the best pews. Organist was Mrs. Jean Bailey of Cooper and soloist was Mr. Don Bailey of Madoc, who sang "Lord Jesus" as the bride entered the church, "The Lord's Prayer" at the appropriate time in the Mass, and "The Wedding" during the signing of the register.

Escorted down the aisle by her father, the bride wore a full length gown of sheer sateau with a stand-up collar and long sleeves in the Bishop look caught at the wide wrist with self re-embroidered lace. The bodice was appliqued with guipure lace and seed pearls. This motif of applique was carried forward down the full skirt and it too had the guipure lace and seed pearl effect. The detachable train, flowing from the waistline, fell to a long chapel length and was edged with the matching lace of the gown. The bridal headpiece, also of guipure lace with rhinestone and seed pearl centres, and trimmed with pink ribbon, was caught up with a four-tiered scalloped nylon illusion, shoulder-length veil.

The bride carried a bouquet of pink roses, lily of the valley, and ivy on a lace-covered Bible with white ribbon streamers, to which were tied pink ribbons.

Maid of honour was Miss Brenda Foley, and bridesmaids were Mrs. Marie Pitt, Miss Barbara Foley, all sisters of the bride, and Miss Barbara Paraniuk, sister of the groom. They were dressed identically in full length deep pink gowns of imported knit featuring stand-up collars, puff shoulders and long slim sleeves, enhanced at the neckline and around the shoulder puffs with a dainty rosebud trim. All wore sheer white ribbons and carried white lace parasols with rose-tinted carnations.

Junior bridesmaids were Misses Sandra and Shelley Foley, sisters of the bride, who wore full length gowns in a dainty mauve, turquoise and deep pink floral printed sheer over satin, fashioned identically to the bridesmaids.

They carried bouquets of rose-tinted carnations. Best man was Mr. Joe Barnett of Tweed, second of the groom, and ring bearer was Mr. Richard M. (Tubby) Folley, brother of the bride. Officiating was Mr. Joseph Foley, brother of the bride.

All wore white jackets, black trousers and a blue tinted 'mum' boutonniere. The little ring bearer, Master Walter Pitt, nephew of the bride, wore a dark navy jacket, white pants and a blue tinted baby 'mum' boutonniere.

At the reception held in the parish hall, the mother of the bride received the guests wearing an off-white coat and dress ensemble with a mauve hat and gloves, black patent accessories, and a mauve cattleyas orchid corsage. Assisting, the groom's mother wore a beige, white and blue plaid coat and dress ensemble with beige accessories and a white cattleyas orchid corsage.

A three-tiered round wedding cake decorated with deep pink roses, with deep pink tapers in crystal candelabra on either side, centred the bride's table.

Master of ceremonies was Mr. Allen Ketcheson, uncle of the bride.

For travelling to New York State and points east, the bride donned a two-piece sailor pant suit in navy and white, with red accessories and a corsage of red roses and lily of the valley.

Guests were present from Madoc, Tweed, Marmora, Belleville, Peterborough, Hamilton, Hamilton, Jerseyville, Ottawa and Huntsville.

Mr. and Mrs. Paraniuk are residing at 7 George Street, Havelock, Ontario.

Lottery Progressing Favorably

With only a few days to go before the first draw of the Recreation Lottery is completed and the draws are made, the committee organizing the Lottery report good reception for the public. It is expected that most, if not all of these will be sold before the April 30th deadline when the first draw will take place. The tickets, priced at 25¢ or five for \$1.00, will be sold about \$100,000. This is a first prize of 25 per cent of the total amount raised and a third prize of 10 per cent will be given to the first person to purchase a ticket.

Mr. Ron Patrick said he felt it must be easier to get the project underway by making an actual deal with a limited company than it is by accepting voluntary contributions, as was the case of the Eganville project. He also said he felt the project could be better managed by an appointed board of directors with a number of four or five men, and later on, as a representative could go to the bank and raise for funds. It was suggested that perhaps a number

NEW DRESSING ROOMS TO BE CONSTRUCTED AT BALL PARK

Last Tuesday evening the Community Centre Board held a meeting in the Public School at 8:00 p.m. Members present were: Harry Brown, Ross Clark,

Don Bailey, Maurice Goulah, Ernie Carswell, Charles Gordon, Marvin Johnson and Wayne Hagerman.

A discussion was held con-

cerning the arena roof and the committee reported it was awaiting a price on the painting of the complete roof and in addition a price to completely

re-steel the whole roof. Don Bailey was instructed to find out the cost of 2 large fans and a humidistat, which could be installed inside the arena at ceiling level. This hopefully would solve the condensation problem which has been present since the installation of artificial ice.

It was also decided to complete the new entrance on the east side of the arena and put a canteen in the present entrance in the north side.

A building approx. 24 x 30 consisting of two change rooms, two dressing rooms, two washrooms and a canteen will be constructed at the ball park just west of the existing building.

Tenders to construct the building will be called this week and construction is hoped to be completed by June 15, 1972.

QUINTE-HASTINGS RECREATIONAL TRAIL PROJECT TAKES ADDITIONAL STEP FORWARD

On Monday of this week, Mr. J. Watson, chairman of the Madoc Recreation Committee, was invited to attend a special meeting of the Quinte-Hastings Recreational Trail Association, where an important organizational step was taken. A constitution and by-law Committee, under the Chairmanship of Mr. F. Bernis, presented a report, which consisted of a proposed constitution and by-law for the newly formed Association. The formation of this Association became necessary in view of the complications of the first stage of the project, which were supplied by the Federal Government as a local work incentive program. The continuation of the project necessitated the establishment of a self-governing body, which will apply for a charter to carry out the work already initiated.

The new organization known as the Quinte-Hastings Recreational Trail Association proposes to operate a walking trail, beginning at Orlia Park in Prince Edward County and going eastward to Acton; then generally westward to Carleton Place; then north and west of Trenton into the Murray Hills; then north to Glen Miller, crossing the Trent, over the new bridge at Glen Miller, then northward to north of Frankford; then eastward, past Oak Lake and crossing No. 62 Highway between Halloway and Madoc Junction to a point about two miles east of No. 62, where it turns northward to near Mulra Lake; passing around the East end of the Mulra at Deane's Rapids, and then almost due west along the boundary between Madoc and Huntingdon townships to a point about two miles west of Highway No. 62; then heading

northward crossing Highway No. 7 in the vicinity of Whistling Pines and continuing in a northerly direction to a point about half way between the Madoc Road (Fox's Corners) and Kellar's Bridge where it turns eastward, crossing Highway No. 62 to a point about one-half mile east of Highway No. 62 where it turns northward to Bannockburn; then northward to Gilmour touching the southwest corner of Wadsworth Lake; then north and west to Ormsby and running north and west to Bancroft, and ending at Lake St. Peter.

The trail is designed primarily as a walking trail, and is being cleared to a width of 6' and a height of 8'. There are sections and "loops" which will be multi-purpose and suitable as bridle trails or snowmobile trails. Camping sites with outdoor fireplaces and tables are some of the facilities planned.

The new constitution provides for the establishment of trail Clubs, each of which will have representation on the Board of Directors and which will be concerned with the Conservation and Maintenance of a section of the trail. The Trail Clubs may be organized by the municipalities through which the trail passes.

One of the urgent and eminent needs of the Association is for funds following the completion of the Local Incentives Program, which terminates on

TO OUR READERS

The large influx of news articles this week has overrun our limited amount of space and as a result we were forced to leave out many interesting items.

We will do our best to print these stories in next weeks edition.

May 31, 1972. The success of the venture really depends on the formation of Trail Clubs and the taking-on of responsibility for a section of the trail by each Club.

Interested citizens in the Madoc area should make their interest known to Mr. Ray Birch, who was nominated a Director at Monday's meeting. (Eight other Directors were also nominated to give good geographical representation on the Directorate).

Madoc Village Council Holds Special Meeting

A special meeting of the Madoc Village Council was held in the Council Chambers on Wednesday, April 12 at 4:30 p.m. with Reeve T.C. Barton and Councillors R.D. Graham, Kei Kincaid and R.M. Kirkwood present.

Mr. M.J. Wade, consulting engineer was present to discuss the proposed Water and Sewer Extension.

Mr. Wade recommended a flow meter for the No. 2 well. Mr. Kincaid recommended that D. Lee Engineering be authorized to proceed with the purchase of a Bristol Meter.

Council, once again, studied the plans for the water and sewer extension to determine which areas should be serviced.

After careful thought and discussion it was felt that we should proceed with the complete plan if the necessary approval is available from the Ontario Municipal Board.

Kincaid - Graham resolved that the Madoc Village Council request Mr. Clarke Rollins, M.P.P., to set up a meeting with the Ontario Municipal Board to discuss the feasibility of the proposed \$600,000. expenditure for the Water and Sewer extension.

Kincaid - Kirkwood - resolved that the Council of the Village of Madoc request the Ontario Housing Corporation to conduct a survey to determine the need and effective demand for a Senior Citizen's Housing project in the Village.

Council adjourned to the call of the Reeve.

Oliver G. Ashe, Clerk - Treasurer.

BIRTH

BARKER - Emilia and Gurney are happy to announce the arrival of their son, at St. Joseph's Hospital, Toronto, on Thursday, April 20th. Weight 6 lbs., 1 oz. First grandchild for Mr. and Mrs. H. Barker, Eldorado.

MISSSES BARBARA AND KAREN KELLER

C.H.S.S. Represented At All-Ontario Girls Gymnastics Meet

Centre Hastings received an honour few schools in Ontario to receive, last Saturday, April 22nd when two sisters, Barb and Karen Keller represented the school in the All-Ontario Invitational Girls Gymnastics meet at York University's Tait MacKenzie Physical Education and Recreation Centre in Toronto.

This meet culminated a long 4 months of practice for these two girls and their coaches. At the Bay of Quinte meet in Belleville on April 12 a team comprised of 6 girls - Diederik, Bonnie, Gordon, Jennie, Seasmith, Barb Keller, Karen Keller and Karen Herche won 3rd place for Centre Hastings in the team totals (19 schools competing).

At this meet Diederik Baldwin came second all-around in the novice category. Barbara Keller came 2nd all-around in the advanced category and Karen Keller received a gold medal as the top all-around gymnast in the intermediate category.

To advance to CONSA - girls must finish in the top 4 in each event. Barb and Karen Keller qualified.

At CONSA on April 15th, Peterborough, Kingston, and two events - intermediate vaulting and intermediate uneven parallel bars.

Each finished a last in the advanced category and the

with her sister, headed for York University.

At York over 300 gymnasts from all parts of Ontario competed in a day long meet. The Kellers were again successful in being very competitive with girls from other parts of the province.

They were both close in finishing among the top 6 girls in each event (most events had around 35 - 40 girls entered) and represented their school very well.

The staff at Centre Hastings and the girls are looking forward to an even more successful year next year.

Local and Personal

Mrs. Arini and Mrs. Handall from New Zealand, also Sharon and Allan Handall and children, from Willowdale, were recent guests of Mr. and Mrs. Frank Varley of Madoc.

Jon and Karen Varley of Willowdale spent the past weekend with their parents, Mr. and Mrs. Frank Varley.

Miss Geraldine Woodcock represented Centre Hastings Secondary School at a stamp display by Castleton Stamp Club at St. Andrew's Presbyterian Church, Warkworth on Saturday.

Mrs. John Bailey Madoc visited Mr. and Mrs. Raymond Richardson, Ray and Rick Westworth, over the weekend and also visited her aunt, Mrs. A. F. Richardson on Saturday. Then on Sunday they all attended a birthday party.

End in honour of Mrs. H. Richardson, it being her 81st birthday. There were also guests there from Kirkfield, Peterborough, Warkworth, Campbellford, Markham and Glen Miller.

CELEBRATES 85th BIRTHDAY

Mrs. Violet Handall Madoc celebrated her 85th birthday on Sunday, April 23rd with a party at the home of her daughter, Mrs. John Bailey Madoc. Guests included Mr. and Mrs. Raymond Richardson, Ray and Rick Westworth, over the weekend and also visited her aunt, Mrs. A. F. Richardson on Saturday. Then on Sunday they all attended a birthday party.

THE PLOT AGAINST OUR SCHOOLS

(By BILL SMILEY)

Teachers are being lambasted from all quarters these days, poor things. As a species, they are practically harmless. But then is not that one of the immutable laws of our society? Attack the harmless, and tread warily with the powerful and the ruthless.

According to their critics, all they are interested in is more money. This, of course, is not true of plumbers, policemen, doctors and dentists, lawyers and even Indian chiefs, garbage men and garage operators. Sure they're interested in more money, at least enough to keep up with the galloping cost-of-living index.

But it's a lie that money is all they are interested in. The great majority is interested chiefly in doing well what they are supposed to do - educate our children.

And I can't blame them when they get a little sore at the constant, usually ignorant heckling of people who don't know what it's all about. Nor can I help feeling a certain kinship when some of the more militant young teachers start talking about strikes and such. A garbage man can go on strike, a teacher can't. The logic eludes me.

The whole business bothers me very little, personally. A man who has been through a war and a decade as a weekly newspaper editor has developed a pretty tough skin.

But there is something a little sinister in the growing influence of politicians on education, for purely political reasons. And I feel a tremor of alarm when I see a few so-called responsible daily newspapers frothing at the mouth when the simple word "teachers" emerges.

I am grinding no axe. In fact, I don't even have a hatchet for chopping kindling. I lost it. But it appears to me that a few Machiavellian characters have put their pointed heads together and decided to destroy, deliberately, our educational system.

The system, when you and I went through it, dad, was far from perfect. But it needed reformation, not defamation. It required healing medicine, not mad, massive surgery.

The first political step toward chaos occurred when many of

the local school boards throughout Canada lost their autonomy. The Boards were made up of men and women who would bust a gut, literally, to get the best possible education for their own local kids. It was far from perfect, but it worked.

Then the provincial governments decided this was archaic. Of course it was. So is the Bible. So is democracy. So is the conceiving of children.

Next step. In Ontario, for example, county school boards were formed. Administrators were appointed who knew nothing of strictly local conditions. In many cases, not all, the school boards became mere rubber stamps for the administrators. The latter, in turn, work hand in glove with the provincial Department of Ed.

It, in turn, is responsible to the party in power. A nice little ring-around. So who is running what?

When this was first proposed, I prophesied the result: increased costs; decreased efficiency. And I take back not a word of it. Ask any teacher.

Then the government, with pious rectitude, after a period of spending untold millions on education, and almost suggesting that everyone who makes it in Grade 1 should graduate from university, takes a side-long look at the taxpayers, and decides to play Jack the Giant Killer. Via spending ceilings on education.

There don't seem to be any spending ceilings on health or welfare.

But out of one side of its mouth, through its tame Department of Ed., government says, "Let's have more innovative, daring, relevant courses for our students." Out of the other side it says, "Sorry, we can't afford that... or that... or that."

Something stinks? To me it does.

Oh, well, let's raise the taxes on booze and smokes and build some more highways and airports. Let's raise tuition fees and cut down on government scholarships, and maybe the universities won't be so crowded.

And let's get out the whips and show those ungrateful teachers where they belong back in the cages.

BOARD OF EDUCATION HOLD REGULAR MEETING

The minutes of a regular meeting of the Hastings County Board of Education was held in the Board Room, 208 Bridge St. East, at 7:30 p.m., Monday evening, April 10th, 1972 with all members present except Mrs. M. Graham.

Mr. E. Robinson — Mr. J. Spry — that the minutes of the regular meeting of March 27th, 1972, be approved as presented.

Mr. R. Collins — Mr. R. Weaver — that the budget be dealt with prior to moving into Committee of the Whole. Carried.

Chairman Williams reported that he had received several letters and comments indicating that the "Chairman's Letter" was being favourably received throughout the County.

The Chairman also reported briefly on the interview which the Board delegation had with the Honourable Thomas Wells, Minister of Education, on Friday, April 7, 1972, and on the interview which the delegation comprised of members of the Hastings County Board of Education and the Hastings and Prince Edward Roman Catholic Separate School Board of Education, had with the Honourable Richard Potter, Minister of Health.

Following are the highlights of the meeting with the Minister of Education:

Surpluses of former Boards were not applied until 1971 because in many cases the reports of arbitrators were not complete before that time. Further, Municipalities were complaining that the Department was forcing Boards to hang onto Municipalities' money and without interest. They demanded that it be returned immediately.

With respect to swings in mill rates a mill rate subsidy was applied to limit the increase in taxes to one equalized mill in each panel. The subsidy does not of course apply to swings that occur because of surpluses or over and under levies.

By 1975 there will be one mill rate for the entire county. The Department presently has a select committee studying the Community use of Schools concept and its financial implications for Boards so involved.

Farmers will receive a rebate of 25 per cent of total municipal taxes which represents a refund of approximately 50 per cent of the education tax.

The former "property tax rebate" on residential property which was passed along to the taxpayer by a reduction in his local tax bill, has been cancelled. In its place is a provision in recent income tax legislation effective in 1972 which allows persons in low income tax brackets to deduct a portion of their property taxes.

Chairman Williams and Vice-Chairman Smith also reported that the Minister of Health had been very sympathetic to the delegation's suggestion re the possibility of the Department of Health assuming, sometime in the future, responsibility for health and related services now being charged in part against the Educational Budget.

The Board then proceeded with their review of the Budget for 1972.

Mr. J. Clarke — Mr. L. Gunning — that the time for adjournment of the meeting be extended beyond eleven o'clock for the purpose of giving consideration to further items of business. Carried.

Mrs. J. Hutchison — Mr. R. Rowe — that the Budget be approved in the amount of \$22,622,546.

An amendment to the above motion was moved by Mr. M. Smith and seconded by Mr. J. Spry that the budget be approved in the amount of \$22,233,210.

An amendment to the above amendment was moved by Mr. N. McKibbin and seconded by Mr. R. Weaver that the budget be approved in the amount of \$22,510,351.

The amendment to the amendment was voted upon. Motion lost.

The motion as amended was

A CLOSED FIST CAN'T

SOCIETY

voted upon. Motion lost. The original motion was voted upon. Motion lost. Mr. M. Smith — Mr. N. McKibbin — that the budget be approved in the amount of \$22,511,000. Carried.

Mr. E. Fairman — Mr. M. Waller — that the following items be considered in Committee of the Whole: Promotion and Placement of Principals and Vice-Principals; Resignations and Retirements, June 1972; Leave of Absence; Release from Contract; New Appointments effective September 1972.

Mr. C. Brant — Mr. E. Fairman — that the Board resolve into Committee of the Whole. Carried.

Mr. J. Clarke — Mr. N. McKibbin — that the Board approve the promotion and placement of Principals and Vice-Principals as listed in D.12 - 1 of the Agenda and Forming a part of these Minutes. Carried.

Mr. L. Gunning — Mr. M. Waller — that the Board accept the resignations and retirements of the teachers listed, effective August 31, 1972, with duties terminating June 30, 1972, respectively. Carried.

Mr. J. Spry — Mr. R. Weaver — that the Board offer Leave of Absence without pay, for the school year 1972-73, to Mrs. Patricia Belyea, Harry J. Clarke School, Belleville, for the purpose of attending a university for full-time studies to complete degree. Carried.

Mrs. J. Hutchison — Mr. L. Gunning — that, for health reasons, the teaching contract between Mrs. Irene Phillips and the Board of Education be terminated on April 7, 1972, by mutual consent. Carried.

Mr. J. Forbes — Mr. R. Rowe

**When it comes to drug store items
why choose between discounts and
druggists when you can have both.**

There are lots of discount stores without a druggist to look after you (smile!).

And there are lots of drug stores with not-so-discount prices. (ouch!)

And then there's Guardian.

Every Guardian Drug store is owned and operated by a Pharmacist.

To advise you on the latest cold remedy, vitamins and cough-drops.

To keep his stock fresh and full. His store neat and tidy. And to give you friendly, personal service.

But there are 100 Guardian Drug stores with prices that any given day are just a few cents lower (or a few cents higher) than the lowest "discount" store in town.

Because of the combined buying power of all 100 independent Guardian Pharmacists, teamed up together. So next time you want a druggist's service and a discount price tag, come get both.

At your nearby Guardian Drug store.

There are over 100 Guardian Pharmacists with fresh goods, good selection, low prices, bright stores and big hearts.

GUARDIAN DRUGS

Visit your friendly Guardian Drug store.

MOSTLY ABOUT SOMETHING

(but not necessarily)
(By BEV. BROWNING)

Well the Chicago Black Hawk fan sitting here eating crow is me. I should have known better than to make that prediction. Even my crystal ball cracked with that premonition. So from my cracked crystal ball, I predict the fiery Rangers over the Bruins in seven games with three of those games going into overtime. If that doesn't shatter it, I don't know what will.

So, the Russians are going to play the N.H.L. pros and company. That news rattled them so badly they lost their world crown when they were defeated by Czechoslovakia 3-2. Still suffering from shock, they were held to a 3-3 tie by third place Sweden.

To Hockey Canada I have two suggestions for next September: (1) Play the champions of Europe and Asia, namely Czechoslovakia. You could play a few games in Russia and Sweden, if you have time. Why waste your time playing the second best. (2) If you are determined to play Russia, may I take a suggestion on who to play in the first game. In goal - Gerry Cheevers, on defence - the Plager brothers, on the forward line - Ken Hodge, Wayne Cashman and Jerry Korab. On the bench, backing those kind gentle souls, you could have Keith Magnuson, Bryan Watson, Barry Gibbs, Rick Foley and Ted Harris. For colour, you could add Eddie Shack and Lou Angotti.

You probably have a better selection and feel my selection of players would be playing short-handed for most of the game. But if you think the Russian hockey team is rattled now, think of what it would be like after that first game. At least they would know what it is like to play in the N.H.L.

I heard this weekend that one of our local hockey buffs gets lonesome now and then and goes down to the rink just to watch the ice melt. I won't mention any names but, if you listen carefully outside the arena you may hear the echo of "Hi Sports-fans."

The first hockey game I ever watched was in the Windsor Arena when I was about ten years young. It wasn't just any ordinary hockey game. It was "the" game of the year. In the arena five thousand public school and separate school students assembled to watch the elementary hockey school championship between the public school champions and the separate school champions. As I said it was "the" game. Five thousand youngsters making the noise of at least a hundred thousand. You couldn't buy a ticket at the time even if your father was Minister of Education. Amongst these five thousand fans sat my French-Canadian friend (if you can call a guy who chases you home with a baseball bat, a friend) and myself. I was cheering for the public school team while he was solidly behind the separate school champions.

Before the game started we had one problem. We didn't know which team was which. This problem however was soon solved. Our IQ being 150 (between us) figured out that the players in blue sweaters were the separate school team while the public school players were in the white sweaters. With this settled, we sat back to cheer for our schools. Each goal was a slap on the back and a haw-haw. This went fairly evenly through the first period because it ended in a 2-2 tie. However the second and third period was disastrous. Those blue sweaters skated circles around the white sweatered team. Goals number three, four, five, six and seven went unanswered. I got slapped and haw-hawed right out of my seat. There was no place to go. I just sat and suffered the agony of watching that separate school team humiliate the public school champions. Finally the game ended and we headed for the exit. I pulled my coat up over my head so no one would recognize the defeated look I had on my face. When we reached the lobby the loudspeaker blurted out the final score - Public School 7 - Separate School 2. My friend looked at me and I at him. We didn't say a word all the way home or for the week to follow. I couldn't even brag about the win or tease my friend (I don't see why I keep calling him my friend). You see the embarrassing thing about it all was that we sat and cheered for the opposite teams. Somewhere in this tale is a moral.

Wished I'd Said That Department - "If you want to teach your child the value of a dollar give him forty cents."

Morning Smile of the Month Award! (tie)
"How come when a woman complains of being tired to her doctor he always checks her tongue first?"
Then there was the absent-minded farmer who held a piece of rope in his hand. He couldn't remember if he lost his horse or found a piece of rope.

This is "National Secretary Week". You can have many kinds of strikes in Canada and life would struggle on. On the other hand if all the secretaries in Canada were to go on strike, Canada would be a disaster area.

As the secretary said, "My boss has decided to keep me." He didn't say anything but this morning he bought me a dictionary.
And then there was the boss who excused all his secretary's errors and erasures. He stamps on the lower left-hand corner of letters, "She can't type - but she sure is beautiful."
To all the secretaries in the area, I hope your week is pleasant and that your grouchy old boss takes the week off.

Sorry to hear you are under the weather Mrs. Ken Gordon. Hope you are up and better soon.

AS IT SAYS - "MOSTLY ABOUT SOMETHING - BUT NOT NECESSARILY."

MADOC CURLERS ENJOY ANNUAL BANQUET

On Saturday evening, May 15th, sixty curlers and their friends gathered for their annual Banquet. Everyone enjoyed a delicious meal served by the ladies of the Legion Hall. The meeting was then called to order by the President, Cyril Shaw. Bev Kellar, read the Treasurer's report in place of the Secretary, who was absent. Cyril then expressed thanks to all who had helped to make this such a successful year. Highlights of the year which were reviewed, included the mixed bonspiel which by all reports, was one of the most successful in the area. There was a full slate of curlers for the mixed league, with eleven new couples who participated in

all the club events. A questionaire, which was passed out and answered by everyone present, showed all in agreement that this was indeed a very successful year.

Doug Heard then acted as master of ceremonies for the election of officers for the new year. The following is the new slate:

Past President, Ray Twiddy; President, Cyril Shaw; 1st Vice-President, Art Miller; 2nd Vice-President, Bob Bateman; Secretary, Dorothy Clarke; Treasurer, Dorothy Clarke; Members at large, Bev Kellar, Buddy Pigen, Marion Devolin, Rae Robinson, Frances Bosley and Ross Clarke; Members elected to rink, Brian Danford and Art Miller.

Trophies and awards were presented to the winning teams and runners up. The league winners were the team of Larry and Jane Stickwood and Ross and Dorothy Clarke.

There was a three-way tie for the honour of runners-up, the teams of Cyril and Isabella Shaw and Bob and Betty Miller; Frances Bosley, Lena Twiddy and Brian and Ruby Danford; Cliff and Donna Derry and Jack and Lou Devolin.

Winners of the playoffs were Cyril Shaw, Buddy Pigen, Bill Matthews and Marion Devolin for the first team; Norm Whylock, Mary Joy Campbell, Ron Devolin and, Alie Brownson for the second team; Rae Robinson, Mary Pigen, Brian Danford and Joyce Brownson for the third team.

The evening then concluded with dancing to the music of Stan Hawthorne.

TARGET TALK

The Madoc District Hunter's and Angler's Club held the fifth shoot of 1972 on Sunday, April 29th. There were 13 shooters present and the usual eight rounds were fired. The prize winners for the day were: Round 1, L. Carman, 100 yds.; Round 2, J. Quinn, 100 yds.; Round 3, L. Hicks, 100 yds.; Round 4, Gus Donaldson, 50 yds.; Round 5, J. Foley, 50 yds.; Round 6, G. Donaldson, 50 yds.; Round 7, F. Donaldson, 50 yds.; Round 8, B. Herrington, 50 yds.

The beautiful spring weather combined with the purchase of some new guns contributed to a series of perfect scores. Three at the 100-yd. range and one at the 50 yd. The bull's eye now used is about the size of a bottle cap. The trouble begins when the open sight class which is shot at the 50-yd., commences. A hit at this target is classified as an accident, but accidents do happen. Here then are the points accumulated for the day.

Name Class 1 Class 2 Class 3

Joe Quinn	30	20	16
L. Carman	30	20	16
F. Donaldson	30	20	16
J. Foley	20	30	15
L. Hicks	25	25	16
Gus Donaldson	25	27	16
G. Donaldson	25	27	14
B. Herrington	25	27	14
Bj Grass	25	26	15
L. Neal	24	23	16
M. Quinn Sr	27	22	14
Dale Donaldson	27	20	14
Glen Donaldson	25	14	

With the start of the trap shooting season on the way, the club's schedule has been set up so that the dates do not clash. The next shoot will be held May 7th. There will be two contests during May, the preceding one held on the 28th.

The club takes this opportunity to extend a hearty welcome to all who enjoy this type of sport, members or otherwise. Come and bring a friend. See you at the range!

ANNUAL DAFFODIL TEA & HOME BAKE SALE

ANGELICAN HALL
SAT., APRIL 29, 2-5 p.m.

Sponsored by A.C.W. and J.A. Girls

TENDERS

Tenders will be accepted by Franklin Coach Lines Ltd., Box 222, Marmora, Ontario up to 12:00 Noon, May 8, 1972, for the following equipment presently operating for The Hastings County Board of Education:

ROUTE NO. 1

1 - 1962 Ford 60 Passenger School Bus
From Vansickle to Marmora Elementary Schools. Approx. 30 miles per day carrying about 58 students.

ROUTE NO. 2

1 - 1964 Chev. 66 Passenger School Bus
From Cty. Rd. 3 and Conc. 2 of Marmora Twp. to Twin Sister Lakes south to Marmora Elementary Schools and east to Madoc Secondary School. Approx. 50 miles per day carrying about 60 students.

ROUTE NO. 3

1 - 1964 Dodge 78 Passenger School Bus
From Conc. 8, Lot 20 Marmora Twp. south to Marmora Elementary Schools covering Conc. 5, 6 and 7 and on to Centre Hastings Secondary School. Approx. 50 miles per day carrying about 70 students.

ROUTE NO. 4

1 - 1970 Chev. 78 Passenger School Bus
From Hwy. No. 7 and Conc. 1 Marmora Twp. to Marmora Elementary Schools covering Conc. 2, 3 and 4 and then to Centre Hastings Secondary School. Approx. 45 miles per day carrying about 75 students.

ROUTE NO. 5

1 - 1952 GMC 54 Passenger School Bus
Starting on Hwy. No. 7 Conc. 8 to Deloro, then to Marmora Elementary Schools via Hwy. No. 7 then to Norwood Road and back to Marmora. Approx. 25 miles per day carrying about 45 students.

ROUTE NO. 6

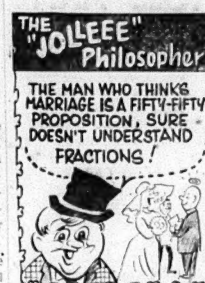

1 - 1956 GMC 66 Passenger School Bus
Starting Lot 2 Conc. 12 Rawdon Twp. south to Conc. 10 south covering Conc. 9 north on Hwy. No. 14 to Marmora Elementary Schools. Approx. 35 miles per day carrying about 64 students.

In Block - 8 units serving Huntingdon Twp. to Madoc, Stirling, Tweed Elementary and Secondary Schools.

In Block - 5 units serving Rawdon Twp., Stirling Village and North Sydney Twp. to Belleville Secondary Schools.

MADOC W.I. HOLD ANNUAL MEETING

Mrs. Robt. O'Riordan was
hostess for the Annual Meeting
of the Women's Institute held
last Friday afternoon. Eighteen
members and three guests were
present. Vice-President, Miss
Loreen Connor, chaired the
meeting, introducing it with an
interesting outline of how the
first Women's Institute was or-
ganized seventy-six years ago
through the efforts of Mrs.
Adelaide Hoodless and Eriand
Lee at Stony Creek and how it
has grown into a world organiza-
tion with members in sixty-
six countries.

The conveners of the eight
Standing Committees each pre-
sented a report of the work done
in her particular field during
the year. Then Mrs. A. Empey
noted some current events since
the March meeting — the ample
supply of snow and ice in Ma-
doc has nearly all gone, with
no serious flooding; lawns are
being raked and cleaned; syp-
rup making is in full swing;
lively interest and strong back-
ing for the proposed Medical
Centre in Madoc; wild geese
have been seen going north;
this was the Queen's forty-sixth
birthday; there is a rumour that
the sidewalks are to be brushed
soon.

Mrs. W. Hill now took the
chair for the election of officers
for 1972-3 and called on Mrs.
W. Roemer for her report of the
Nominating Committee. The
following officers were elected:
Past President, Mrs. H. Brint-
nell; President, Mrs. D. Carman;

First Vice President, Miss Lor-
een Connor; Second Vice Pres-
ident, Mrs. W. Farrow; Secre-
tary, Mrs. G. Allore; Treasurer,
Mrs. C. Farrow; District Direc-
tor, Mrs. K. Gordon; Alterna-
tes, D. D. Mrs. S. R. Beatty;
Branch Directors, Mrs. D. Ker-
nahan and Mrs. R. Lewis; Pub-
lic Relations, Miss Ada Adams;
Golfers, Mrs. W. Hill and
Miss Loreen Connor; Standing
Committee Conveners: Agricul-
ture and Canadian Industries,
Mrs. W. Forestell, Mrs. D.
Bronson; Citizenship and World
Affairs, Mrs. S. Franks; Educa-
tion and Cultural Activities,
Mrs. K. Parks; Family and
Consumer Affairs, Mrs. W.
Roemer; Resolutions, Mrs. E.
Wannamaker; Flowers and
Cards, Mrs. E. Gates and Mrs.

R. O'Riordan; Auditors, Miss
Loreen Connor and Mrs. K.
Gordon; Pianist, Mrs. A.
Empey; Delegates to District
Annual, Mrs. A. Bailey, Mrs. K.
Parks, Mrs. G. Allore; Alterna-
tes, Mrs. W. Roemer and
Miss A. Adams; Delegates to
Area Convention, Mrs. S. R.
Beatty, Mrs. W. Hill, Miss
Loreen Connor, Fair Commit-
tee, Mrs. A. Bailey (convenor),
Mrs. W. Roemer, Mrs. S.
Franks, Mrs. W. Forestell, Mrs.
W. Hill.

Before the tempting lunch
was served, Miss A. Adams
showed some interesting and
colourful slides of last Decem-
ber's Nativity playlet, and of
the Centennial costumes of '67.
Of special interest were some
slides of the 50th anniversary
some twenty-five years ago.

Trinity United Church, Unit 1

The April Meeting of Trinity
United Church, Unit 1 was held
at the home of Mrs. Lindsay
Empey with 12 members and 2
visitors present.

Mrs. Farrow, Unit Leader,
opened with a poem and a wel-

come to all.

The roll call was answered
with a verse on spring. The
minutes of the last meeting
were read and approved. Mrs.
Ken Gordon conducted the Wor-
ship Service, the theme being:
"The Meaning of Easter", and
a reading "The Desert Shall
Rejoice" was followed by prayer
and Hymn, "In The Cross I
Glory."

The offering was received
and dedicated. Mrs. Bennett
gave the Treasurer's report. 34
house and 19 hospital calls were
reported.

Mrs. Albert Bailey had
charge of the programme. She
read a very interesting account
on the Life and Work of the
late Dr. Sidney Glechrist, a de-
voted missionary in Angola.

Mrs. Bennett thanked those
that helped with the worship
Service and programme and
she also thanked the hostess.

Mrs. Farrow closed the meet-
ing with prayer and a social
time followed.

Madoc 4-H Potato Club

The first meeting of the Ma-
doc Potato Club was held at the
Madoc Township Hall on Mon-
day, April 17th at 8:00 o'clock.

Officers for the year were
chosen and are as follows: Pres-
ident, Jimmy Wannamaker;
Vice-President, Terry Sexsmith;
Secretary, Sandra Stein; Pres-
Reporter, Stanley Stein.

A discussion took place on
the year's programme and an
agreement was made among
the members.

The next meeting is to be
held at Foxboro Co-operative on
May 10th at 8 o'clock.

HELP WANTED: BUT NOT YOU!

WHEN YOU READ THE JOB ADS, ARE
THEY ALWAYS LOOKING FOR SOMEONE
ELSE? IF SO, YOU OUGHT TO SEE WHAT
MANPOWER TRAINING THROUGH LOY-
ALIST COLLEGE OF APPLIED ARTS AND
TECHNOLOGY CAN DO FOR YOU.

Thousands of Canadians are breaking out of the cycle of
unemployment, part-time work and dead-end jobs by train-
ing in today's skills through the CANADA MANPOWER
TRAINING PROGRAM.

Training can help you find and hold a good job, and
boost your earning power. If you are unemployed or under-
employed, or your job is becoming obsolete, training is
probably the answer.

More than 300,000 Canadians benefited last year at no
cost to themselves. Courses are paid for by federal govern-
ment and provided in provincial training schools.
You may be eligible for training if you are at least one
year past the school leaving age in your province. You
may also be eligible for an allowance, if you have been a
member of the work force for three years, or if you have a
dependent.

Training today can mean a good job tomorrow. The first
move is up to you.
Consult your CANADA MANPOWER CENTRE. An ex-
perienced counsellor will help you decide whether the
Canada Manpower Training Program can work for you...

THE FOLLOWING COURSES
ARE NOW BEING SCHEDULED:

Basic Training (Academic Upgrading) Grades 1 - 12 starts every month.	Commercial Refresher
Commercial Accountancy	Domestic Electronics
Construction Orientation	Electrical-Pre Employment
Dry Wall Taping	Key Punch Operator
Industrial Maintenance Mechanic	Medical Secretary
Legal Secretary	Typing Refresher
Painting and Decorating	
Welding Fabrication	

INTERESTED APPLICANTS: CLIP AND PRESENT
THIS AD TO YOUR CANADA MANPOWER CENTRE.

DON'T GIVE MONEY TO A STRANGER!

The people who call on you for the Cancer Society live in your own neighbourhood. They issue official receipts for income tax purposes. Another nice way to meet your neighbours!

MADOC BRANCH
CANADIAN CANCER
SOCIETY

VILLAGE OF MADOC

BY-LAW NO. 919

Prohibiting and Regulating the Running at Large of Dogs in the Village of Madoc.

7. "Every person within the Village of Madoc who is the owner, possessor or harbourer of a dog shall pay an annual tax of two dollars for a male dog, if only one, and four dollars for each additional male dog owned by such person, and four dollars for a female dog, if only one, and six dollars for each additional female dog owned by such person."

To date 22 persons have not paid their dog licence. If these are not paid by Friday, May 5, 1972, they will be turned in for collection.

Council has received complaints of dogs barking and howling, thereby disturbing the inhabitants of the Village.

This is a contravention of the Anti-Noise By-Law No. 842.

Owners are requested to see that this disturbance is stopped.

Olive G. Ashe,
Clerk-Treasurer.

T. C. Barton,
Reeve.

QUEENSBORO W.I. HOLD ANNUAL MEETING

The Annual Meeting of the Queensboro branch of the Women's Institute was held at the home of Mrs. M. Lees on Wednesday evening, April 12th, with Mrs. Kenneth Cassidy, 1st Vice President in charge. The roll call, "Pay your fee and join again," showed 14 paid members. Several thank you cards were read from shut-ins who

had received plants for Easter, and also from members who had been ill and received plants. It was decided to collect for the Cancer Society again this year. It was also decided to purchase a gas stove for the Institute Hall.

Mrs. Harry Declair took charge of the meeting for the Election of officers. Mrs. Carl Gordon read the State of Officers presented by the nominating committee which is as follows: Past President, Mrs. C. A. McMurray; President, Mrs. Roy Rollins; 1st Vice President, Mrs. Kenneth Cassidy; 2nd Vice President, Mrs. M. Lees; Secretary, Mrs. Wm. Lynn; Assistant Secretary, Mrs. Ken Cassidy; District Director, Mrs. C. A. McMurray; Alternate District Director, Mrs. M. Lees; Branch Directors, Miss Roberta Sager, Mrs. Frank O'Rourke, Mrs. Harold Tokley and Mrs. E.

Armstrong; Public Relations officer, Mrs. Frank O'Rourke. Conveners of Standing Committees were: Family and Consumers Affairs, Mrs. Wm. Cassidy; Agriculture and Canadian Industry, Mrs. Harry Declair; Education and Cultural Activities, Mrs. John Thompson and Mrs. Harold Tokley; Citizenship and World Affairs, Miss Hazel Thompson; Curator of Tweedsmuir History, Mrs. Arthur Holmes; Resolutions, Mrs. Carl Gordon; Cards, Mrs. Frank Barry; Flower and box commit-

tee, Mrs. C. A. McMurray and Miss Roberta Sager. Mrs. Harry Declair conducted the Election of officers. Mrs. Cassidy then took charge of the remainder of the meeting. Miss Roberta Sager acted as auctioneer for a sale of home baking which was very successful. The meeting closed with the Queen and lunch was served by the hostesses and assistants and a social time enjoyed by all. Mrs. Wm. Cassidy will be hostess for the May meeting.

Queensboro Euchre

At the last Euchre party of the Season at the Queensboro W.I. Hall on Friday evening, April 7th, Mrs. Mac Davies was the winner of the special prize which was given to the person having the highest score of the season. Other winners were: Ladies High, Mrs. George Griffin; Mens High, Mac Davies; Ladies Low, Mrs. Wm. Matthews; Mens Low, Jack Alexander; Lone Hands, Wm. Matthews. The door prize went to George Griffin. There were 7 tables played. Lunch was served by the members of the W.I.

DO THE PEOPLE OF HASTINGS NEED
A COUNTY PUBLIC LIBRARY?

You Are Invited

To Attend A Meeting Sponsored By
THE HASTINGS COUNTY PUBLIC
LIBRARY PROJECT

To Discuss This Important Matter
to be held at the

Centre Hastings Secondary School, Madoc

May 1, 1972: 7:30 P.M.

The Hastings County Public Library Project is people working to obtain better public library service for all the people of the small communities and rural areas of Hastings County. Up to the present, public libraries have been provided only on an irregular basis, with over thirty thousand County residents still without any service at all. During 1972-73, the Project plans to demonstrate the value of the county approach, by providing (at no cost) many of the services which would be offered by a Hastings County Public Library. These activities will bring books and other services to those who have never had them. They will also greatly assist those communities which already support a library. Try to be at Madoc on May 1, to learn what the Project means to your community and your County, and to offer your comments!

It's Everyone's Business, So Everyone Is Welcome

The Hastings County Public Library Project
Is Associated With

The Lake Ontario Regional Library System

MADOC — ONTARIO

COOPER

Mr. and Mrs. Fred Bailey and family attended a birthday party in honour of Mrs. Flo Card at the home of Mr. and Mrs. Doug Pigden in Madoc recently.

Mr. and Mrs. Ed Paveling and Brett left last Tuesday morning for their home in Edmonton, Alberta, after visiting Mr. and Mrs. Cor. In't Veld and girls.

Mr. and Mrs. Robert Marner and girls, Toronto, were weekend visitors of Mr. and Mrs. Allan McCoy recently.

Mrs. Glenda Whitelaw and Leanne, Toronto and Mr. David Thompson, Malton, spent the past weekend with Mrs. George Graham.

Mr. Cor. In't Veld was a visitor of Mrs. Frank Parks last Wednesday.

Mrs. George Graham, Mrs. Fred Bailey, Mrs. Lynn Holmes and Mrs. Rex Rollins attended a two weeks tailoring course in Madoc.

Congratulations to Mr. and Mrs. Bob Chapman on the birth of their new son, born at Belleville General Hospital recently.

Mr. and Mrs. Norman Cox, Carp, were weekend visitors of Mr. and Mrs. Rex Rollins.

Mr. and Mrs. Lawrence Courneyea and girls visited relatives

in Trenton on Saturday.

Mr. and Mrs. Alf Dondard, Norwood were visitors of Mr. and Mrs. Russell Kavanagh last Wednesday.

Mr. and Mrs. E. H. Arney,

Harrowsmith, visited Mr. and Mrs. Bill Fitzgerald and Mr. and Mrs. Carl Fitzgerald on Wednesday and visited Mr. and Mrs. Gordon Holmes on Thursday of last week.

MADOC 4-H CLUB

On Monday, March 27th, the Madoc 4-H Club met at the United Church for their seventh meeting. Plans were made for a pot luck supper to be held at the home of Janet Hill.

Mrs. Pigden demonstrated how to apply a zipper without a seam, from the members' pamphlet, also the members worked on V-neck samples.

Two girls volunteered to make the poster for Achievement Day.

The Achievement Day programme was discussed and a commentator chosen. The girls practiced for the fashion show to be held on Achievement Day.

"Resident Consumer"
This passage introduces a new feature in IGA advertisement and a new service to IGA customers. It is provided by the Consumer Affairs Department of The Oshawa Group Limited, IGA supplier. The Department was established and its program developed after months of discussion with people in government, organized consumer groups and customers in the stores.
Your IGA store owners believe that their customers, indeed all consumers, have a right to be heard, to be informed, to be kept in the know with the knowledge which enables them to make the right choice and decision where purchases are made.
We job it to provide an information service... to be used and from give IGA a consumer that only by understanding each other but for can we truly be better.
Please watch this space in the weeks ahead. This program is an important part of IGA's commitment to you, the Customer.

COURTEOUS
SERVICE

Day after day, week after week, MR. IGA offers you only the best in courteous, helpful service. He thinks his customers are special people; his business depends on them. So he does his utmost to keep you happy and satisfied.

DELIVERY
SERVICE

If it's convenient you're looking for, check with your local Mr. IGA for details on home delivery. Most IGA stores provide an efficient delivery service for store-shopped goods at a very nominal charge.

CHECK-A-UNIT
PRICING

It's the quick, easy-to-use method of comparing like products and prices. Mr. IGA's Check-a-Unit price ticket shows you at a glance, the total cost of the item plus the cost per pound, ounce, etc. So it's easy to spot the best food value.
